

Portsea Junior Competition Team 2019/20 Season Information

Do you enjoy the Portsea SLSC Nippers program and want to put the skills you learn to test in a safe and fun environment? If so, then join the Portsea Junior Competition Team!

The Portsea Junior Competition Team comprises teams of all abilities from Under 9 through to Under 13. Our aim is all about participation, improving your skills and having fun at the same time – it's as competitive as you want to make it. We will compete in a number of junior carnivals (against other clubs) during the 2019/20 season (refer attached season calendar). You can compete at as many carnivals (and in as many events) as you like - the choice is yours!

Competition Team Training

Competition team training (beach and/or water) starts on October 20th at Hampton, where we will run our Melbourne based training sessions over the season. We will also have training sessions at Portsea (front and back beach) from 26th December 2019 to 11 January 2020. Training dates and times are attached and advertised on the Portsea Junior Competition Team App.

Registration costs

Registration is only \$50 for the entire season (payable through Portsea Junior Comp Team App). This fee covers use of boards (one will be allocated to you for the season), all carnival entry fees, a Competition Team t-shirt and all training sessions.

Parental involvement

It is a requirement that a parent, guardian or sibling of each team member gets involved in some way. This might be acting as an age manager, officiating at a carnival, assisting the team or undertaking a water safety shift at training or at a carnival. Training for parent roles will be provided by the Club or Life Saving Victoria, which needs to be completed by the end of December.
