 I want to join a surf club, or transfer to a different surf club. I want to join an Academy so I can enrol for a course. I want to join a Lifeguard Service, Support Operations or Non-SLS Affliated Club.

Step 5. Select the club you wish to transfer to. Once this is selected you can select the type or transfer you wish to make:

- **Full Transfer** Move your membership to a different life saving club. Once your application is approved, you will no longer be a member of your current club. If you select this option and are presently a member of more than one club, you will be asked to select the club you wish to leave. *Please note: this transfer can only be completed once in a calendar year due to your competition rights.*
- **Competition Rights Transfer** Keep your membership at your current club(s) but move your competition rights to a new club. You will then have dual membership but only be able to compete for the new club. *Please note: this transfer can only be completed once in a calendar year.*
- **Non-Competition Rights Transfer -** Join another club, while keeping your membership and your competition rights at your current club. You will then have dual membership.

Even though you may not be an active member of any club at present, SLSA regulations state you must seek a clearance from your old club or other SLSA organisation prior to joining your new club. You may check the status of your transfer request at any time through SLS Members Area (via the Requests menu option) or by contacting your surf club.

By opting for full transfer any patrol substitution requests linked to your patrol teams under losing club will also be removed.
