

# JUNIOR COMPETITION SURF SPORTS SQUAD

## U.8 - U.13 NIPPERS - JOIN US NOW

### WHO WE ARE?

Portsea has a proud history in surf sports competition. The key purpose of our Squad is to improve the lifesaving skills and fitness of our juniors. We provide surf sport training through our Foundation & Development coaches and facilitate inter-club competition with Life Saving Victoria (LSV).

Our Junior Surf Sports Squad is an additional but separately run program for children enrolled in the Nippers Education Program. The Surf Sport Squad caters to all juniors, no matter what skill level. Our coaches are very competent young adults and have been through the Surf Sport program themselves.

### WHAT WE DO?

There is a wide range of sports such as running, beach relays and beach flags, water events such as swimming, boards, wading and team relays. The Junior Surf Sports Squad is aimed to improve beach and surf skills, and be social and inclusive. There is water safety at each coaching session.

### TRAINING & COMPETITION:

The Squad trains immediately after the Nippers Education Program sessions during summer (depending on conditions). Additional training sessions at Portsea or at Elwood once the kids return to school. Our Surf Sports Program targets two local carnivals during the season plus the Victorian State Titles held each year in early March.

### ADDITIONAL BENEFITS:

Junior members who register for the Squad receive their own Club competition nipper board for exclusive use during the season, a competitor tee shirt, all entry fees to carnivals and access to buy other Competition Team merchandise (exclusive to Squad members).

### HOW TO REGISTER:

COST - REGISTRATION \$100 and is easy by following these 3 steps:

1. Open your Stack Team App (app or website) and search for and request access to the 'Portsea Junior Comp Team' group and wait for your access to be approved.
2. Once approved, enter the group's 'Store' and complete the \$50 Registration & \$50 Board levy.
3. You're all set! Your Nipper board will be allocated and you will receive communications about all Squad training sessions and events. Be sure to have your notifications turned on!
