

# PORTSEA S.L.S.C.

73RD ANNUAL REPORT 2021/2022

## PORTSEA SURF LIFE SAVING CLUB LIMITED

It is with pleasure that we present

The 72rd Annual Report and Financial Statement

For Season 2021 - 2022

To Be Presented At The

Annual General Meeting

On Tuesday 16th August 2022

Commencing at 7:30pm

And via Video Conference

Vigilance and Service

A.B.N. 69 006 114 727

*Congratulations to our Club in navigating the 2021/22 year so extremely well.*

*The Reports from our Club President, Matt Mahon and Club Captain, Jessica Lamb, capture the dedication, hard work and wonderfully successful activities and programs achieved in season 2021/22.*

*Our Club is fortunate to have Matt and Jess along with our general committee and all the other leadership committees and groups throughout the Club who give so much of their time and effort to our Club.*

*The ethos of our Club volunteers is by any measure, remarkable.*

*The community is very fortunate and blessed to know when they visit the Portsea Back Beach and swim between the flags that they are safe!*

*I'm in admiration of all active members of our Club.*

*On behalf of all who visit our beach and Clubhouse, a resounding thank you.*

**Rob Fildes AM**

## OFFICERS FOR SEASON 2021 - 2022

### COMMITTEE

President	Matthew Mahon
Vice President and Junior	
Education Director	Brett Croft
Treasurer (to 30/4/22)	Angelo Biviano
Treasurer (from 1/5/2022)	Tony Martin
Secretary	Robert Mellor
Club Captain	Jesica Lamb
Director	Andrew May
Director	Sas McNamara
Director	Jacqui Hart
Director	Susan Crow
Director	Priscilla Brown
Director	James Nola

### LIFE SAVING VICTORIA REPRESENTATIVES

Council of Lifesaving Clubs	Matthew Mahon
Life Saving Operations Council	Simon Wilson (Council Rep)
	Andrew May (delegate)
Aquatic Sport	Dr Natalie Hood (Executive member)
	Stephen Blewett (Delegate)
Grievances and Judiciary Panel	Bridget Pardy
Member Protection Officers	Sam Paynter Sue Traynor

### SUB-COMMITTEES

**COVID-19 Officer** Dr Natalie Hood

#### Judiciary Committee

Mark Grooby (Chair)  
Bill Gillies  
Brynne Allen

### MEMBER PROTECTION OFFICERS

Sue Traynor  
Sam Paynter

### FACILITIES SUB-COMMITTEE

Martin Tissot (Chair)  
James Nola  
Priscilla Brown  
Cameron Hunter  
Julian Byrne  
Simon Knight  
Mark Angleton  
Karl Vaitiekunas  
Tom Pikusa  
Wayne Stoll

### WALL OF FAME

#### Sub-Committee

Emma Ronald (chair)  
Tim Hart  
Rowan Cameron  
Charlie Schall-Riaucour

### OPERATIONAL SUB-COMMITTEE

Club Captain	Jessica Lamb (Chair)
Education Director	Jacqui Hart
Member Engagement Director	Holly Hart
Sustainability Director	Tom Nelson
Events Director	Eliza Lamb
Life Saving Director	Sas McNamara
Deputy Competition Director	Oscar Hunter
Communications Director	Josh Nilsen
Equipment Director	Andrew May
IT & Building Director	James Nola
First Aid Director	Andrew Argyrou
Accommodation Director	Nick Rathmayr

### LIFESAVING SUB-COMMITTEE

Life Saving Director	Sas McNamara
Deputy Life Saving Director	Griffin Mitchell
Lifeguard Development Coordinator	Nik Rathmayr
Life Saving Development Team:	Steph Hunter Sophie Courtney Griffin Mitchell

### COMPETITION SUB-COMMITTEE

Competition Director	Andrew Regan
Deputy Competition Director	Oscar Hunter
Junior Team Manager	Andrew Regan
Equipment	Rob Wills Dr Natalie Hood
Administrator,Volunteers Coordinator	Dr Natalie Hood
Logistics	Anthony Purcell
Ski Captain	Charlie Schall-Riaucour
Boat Manager	Stephen Blewett
Masters Manager	Dwight Harrison
Age Manager Coach	Stuart Larke Marni Jacka Tom Regan Steph Hunter Harvey Larke Emile Stigter Luke Tucker Chloe Cornwell

### PORTSEA CENTRE OF EXCELLENCE

Director	Henry Kiss
----------	------------

### EDUCATION

#### Sub-Committee

Education Director	Jacqui Hart
Deputy Education Director	Josh Nilsen
Bronze Camp Chief Instructors	Andrew May Alexandra Madden
Silver Camp Chief Instructors	Oscar Hunter Griffin Mitchell
Advanced Training Officer	Jack White
Cadet Camp Chief Instructors	Jack White Murdoch Hunter
Part Time Bronze Chief Instructors	Henry Kiss Josh Nilsen
SRC Chief Instructors	Alex Croft Steph Mahon
Nipper Officers	Jessica Lim Spencer Thomas Sophie Pedder
Training Equipment Officer	Blair Nuske

### MERCHANDISE SUBCOMMITTEE

Sophie Croft  
Melissa Lamb  
Sharon Landy  
James Nola

Club Championships 2022 Yencken Cup.

National Masters 2022 Gerald Betts, Cameron Hunter, Tom Kennan.

## **NIPPER SUB-COMMITTEE**

Brett Croft (Chair)  
Ben Grodski  
Jodi Lancaster  
Jo Robertson  
Julian Sallabank  
Claire Whitbread  
Glennis Winnett

### **PIER TO PERIGNON**

Sam Paynter  
Craig Evans  
Peter Wilson  
Dwight Harrison  
Andrew May

## PRESIDENT'S FOREWORD

Community. As I look back on the season just passed, my overwhelming reflection is one of feeling grateful about belonging to the community that is the Portsea Surf Life Saving Club. Communities like

ours don't just happen. There is certainly some luck involved, but mostly it is a result of the hard work and passion that our members have given to the Club for almost 75 years. We saw it in spades this season.

Among our 5,300 members there are varying degrees of engagement and involvement in this community, and that's fine. We have some members who are completely immersed: they are at the club almost every weekend, patrolling, delivering education programs, cleaning, lugging gear or helping with the administration of the Club. Some drift in and out, some never leave, some make a ritual of helping at the swims as their annual contribution, and others just want to come down and sit on the deck three or four times a year and feel pleased to be a part of it, knowing that through their membership, they are contributing to the club. Every one of these people contributes. Our 'Portsea community' stood up big time this year.

Our education team managed to safely execute 'live-in' camps in December for the first time in two years. Unbelievable really when you consider what was to follow. Part time Bronze, and live-in Bronze and Silver Medallion programs were all a success.

Our Nippers, SRC and Cadets all got a start before arguably the biggest wave ever seen at Portsea (Omicron) swept through. Again, our team of volunteers did a superb job to battle through, showing an incredible commitment to deliver these important education programs in a safe, fun environment.

Behind the scenes, our COVID plans were put into action with great support and understanding from our members, who all played a part in keeping our activities as safe as we could. It was not an easy time.

Our member food and beverage service suffered, as like many, we struggled with available workforce. Those still standing adapted, changed plans, and pleasingly our members understood and supported what service we were able to offer.

As the white water of the wave settled, our events team dusted off COVID-safe plans developed the year prior and we not only delivered our open water swims, we added a run/walk event through the Nepean National Park finishing at the clubhouse on the Back Beach.. If the workload wasn't enough, the Pier to Perignon team did it twice, with the initial event date thwarted by a 40-knot northerly.

One constant was our patrols which ran from late November until 25th April, one of the longest seasons on record. Despite the challenges, our patrollers did not miss a beat. Our volunteers recorded a total of 7,682 hours of patrolling on Portsea Back Beach, in which they directly saved 7 lives in major rescues, recorded another 2,818 preventable actions. An amazing 462 members pulled on a red and yellow quartered cap to patrol.

Across the season there were some remarkable highs, and also some lows as our members dealt with various challenges thrown their way. As I look back, undoubtedly my key takeout for the season was the extent to which that sense of community was on show. We worked together, we saved lives together, we learned together, we partied together, we grieved together, we laughed together and we supported one another in all that we did.

At the conclusion of the lifesaving season, the Club's part time General Manager Wayne Stoll finished up in the role. Wayne played a key role in establishing the member service offering for the club, commencing in the role in the lead up to the summer of 2019/20. The Committee are incredibly grateful for Wayne's contribution to the club, and look forward to his ongoing involvement as a member.

Thank you to the almost one hundred people that contribute across various committees and working groups, to our paid staff, and to all who have been part of the Portsea community this year. We couldn't do it without you.

I can't wait for next season already.  
See you on the beach!

**Matt Mahon**  
**President**

Nippers 2022 Boards.

## CLUB CAPTAIN'S REPORT

This season has been a rollercoaster of unpredictability and yet another season of tremendous accomplishment. We managed to put a patrol on the beach every single weekend, despite the impact COVID-19 had on

our active member base throughout the peak of the season. I would like to thank every single one of our patrolling members for making this possible. In particular, I would like to thank our Patrol Captains, Vice-Captains and our brand-new Lifesaving Director, Sas McNamara. It was amazing to see the way everyone rallied together to keep our beaches safe and support one another under some really trying conditions. Together, we recorded upwards of 6,000 patrol hours, performed over 2,500 preventative actions and 7 major rescues. This is an incredible feat.

Not only did we manage to excel in the lifesaving arena, but our education team also defied the odds, delivering surf lifesaving education to upwards of 1,000 members. Our Nipper program provided vital surf safety lessons and instilled water confidence in over 600 young members, including 5 Starfish Nippers at the height of the pandemic. I would like to both thank and congratulate the Nipper Subcommittee, led by Brett Croft for providing our youngest beachgoers with the opportunity to enhance their physical and mental wellbeing after 18 months of social isolation and restrictions on accessing pools and waterways. Similarly, Alex Madden and Andrew Argyrou did an incredible job to introduce Starfish Nippers to Portsea SLSC, which is a program centred around providing lifesaving education to children with disabilities. In addition to our Nipper Program, Jacqui Hart, our Education Director, led the charge to deliver development opportunities to an additional 80 SRCs, 70 Cadets, 90 Bronzies across our live-in and part-time programs and 45 Silver candidates. Thank you to all the instructors, water safety and in particular camp chiefs who made this possible.

Furthermore, not only did we manage to deliver our two major swims this season, but we also introduced a brand-new major event to our club calendar, the Bay to Surf adventure run. The event saw 450 competitors take to the start line at Quarantine station and finish at our very own surf club. This event was a massive success! It was great to see so many smiling faces running and walking along Portsea Back Beach against the backdrop of the picturesque sunset we all know and love. Thank you to all the volunteers who helped with the delivery of the day and in particular, Craig Evans. Craig's unconditional mentoring and support made this event possible.

I'd like to conclude by shedding light on the Operational Committee. These 11 young members are the powerhouse of our club, managing our education programs, patrols, sustainability initiatives, events, competition, first aid, club communications, accommodation and IT systems. Thank you for your tireless efforts this season, I feel so lucky to be supported by such a strong, capable group of people.

I'm so excited for what next season has in store. We're looking forward to introducing a new education program, Portsea Platinum, which is designed to provide our Silver Camp graduates with the opportunity to practice search and rescue operations in a live-in camp setting. If you have any interest in becoming more involved in our club operations or have any ideas and/or initiatives that you'd like to see implemented, please reach out to me or any member of the Operational Committee. We're committed to continuing to grow and improve our lifesaving community. Have a great off-season, looking forward to seeing you on the beach next season!

**Jessica Lamb**  
**Club Captain**

## GENERAL MANAGER'S REPORT

### A Personal Note

I was 16 years old in 1985 when a school friend invited me down to Portsea for the weekend, and of course, we visited Portsea SLSC. At the time I didn't expect that weekend to change and shape my life the way it has over the past 37 years. I've made many incredible lifelong friendships and had many amazing experiences, from that one

decision. The club has given so many of us the greatest life and it just keeps on giving.

Reflecting over the past three years, there have been so many highlights for me as General Manager. To be selected for this role three years ago was an honour and a privilege in the first place. To have the opportunity to help create and shape the bar and restaurant, build the F&B team, and work on many other projects, has been a highlight.

### THE CLUB, FOOD & BEVERAGE

This past summer, although stressful with the restrictions and implications of COVID, has been probably the most rewarding. Our team was stretched at times, but we seemed to get through and on the most part deliver a product and service we were proud of. The kitchen, under the guidance of Oliver, and supported by Jack and Caroline, was one of the most hardworking, energetic, caring, and eclectic bunch I've ever worked with. We also had some great support in the bar with Patrick, Sam, Max, Oscar and Murdoch, who all worked tirelessly over the summer giving up valuable surfing time to ensure we had cold drinks and coffees in our hands.

I was lucky enough to also have the amazing assistance of Pam Taverniti, in the role of Administrative Assistant. Pam's energy and positive attitude and ability to get things done helped me enormously this past summer and, moving forward, I'll really miss that in my week. Thanks Pam.

### BRAND UPDATE

Furthermore, over the winter months in 2021 we worked closely with Hayman Design to develop a new and refreshed brand style guide. The Portsea shield has undergone subtle changes that reflect the original shield from the 50's and 60's. The guide has introduced standard fonts and colours and provides a visual language and tone. Our new brand proposition, 'Leaders in Lifesaving, Leaders in Life' reinforces who we are and what we stand for as lifesavers, individuals and as a surf lifesaving club.

We also completely rewired and redesigned the Portsea SLSC website, enabling easier navigation to find what you're looking for. The website has a tablet and mobile friendly version that's far easier to use and more user friendly than our previous website. I'd like to thank Josh Nilsen, our Communications Director, for taking the lead role on this project working closely with Mal Peter from Trilogy Web Solutions.

## EASTERN DECK

Additionally, we were lucky enough this season to see the addition of a brand-new space to the club, our eastern deck! The eastern deck adjoins the multipurpose room and was a great addition to the club this summer, providing our younger members a place to hang out and enjoy some privacy after patrol or a surf. The eastern deck currently sports two fantastic outdoor showers, with picturesque views of our Portsea Back Beach! When totally complete, the eastern deck will have a BBQ area and surfboard racks available for members to enjoy.

Finally, I'd just like to say another thank you to all of you who have helped make my role as General Manager so enjoyable. I'm looking forward to coming back to the club next season as an active patrolling member and enjoying all of our hard work from the 'beach side' of the bar. See you on the deck soon!

**Wayne Stoll**  
General Manager

Defib Training at Le Capucin Portsea Front Beach.

P2P Chiefs Craig Evans, Andrew Cox, Sam Paynter.

## SECRETARY'S REPORT

At the time of writing, COVID-19 and its attendant restrictions seem a distant memory, largely because the Club managed to navigate a second season under COVID-19 restrictions with limited impact. Our educational program bore the brunt of the COVID impact,

and our food and beverage services were constrained, but the Club's lifesaving services and major events were able to operate with limited impact in line with our COVID plans.

With the benefit of the experience of operating the 2020-2021 season under heavy restrictions, the Committee faced the 2021-2022 season with the same decision-making principles that had served the club so well in the previous year.

1. We would continue to plan to operate until we knew for certain that we could not operate.
2. All plans considered that events could be cancelled or restricted at short notice and required contingency plans to minimise financial and operational risks.

As a result, the Club was able to re-apply the valuable lessons learned from last year to deliver almost a full range of services and activities for the 2021-2022 season. Credit for this achievement deserves to be shared by all volunteers, paid staff and participating members across the club. Many of the ideas developed under the duress of the two COVID seasons will continue to be applied in future years. Club membership numbers continued to grow in the 2021-2022 season, albeit at a slower rate than last year. Overall club membership has stabilised in the range of 5,000 members. The club's membership policy and fee structure has continued to serve the club's needs well and the Committee intends to retain it unchanged for the 2022-2023 membership year.

As the club's administration requirements continue to expand, we rely more heavily on our administrative staff. Mark Grooby has stepped into the club administrator role over the past two years and is now a critical force in the smooth operation of the club across lifesaving administration, member administration and a range of other functions. Mark was ably supported this year by Pam Taverniti in reception and club administrative functions with more of a focus on our food and beverage services. Mietta Mellor provided support services in the club reception and membership administration. We thank our hard-working administration team for their work throughout the year. The Committee plans to continue to expand the administration function to share the workload more equitably across all involved.

LSV recognised the work of Portsea's club administration team by awarding our club the Award of Excellence for Administration Club of the Year for the 2020-2021 season. I would like to congratulate our team on this achievement and thank them for their dedication.

I would also like to acknowledge Josh Nilsen who has held the volunteer role of Communications Director over the past year. Josh has taken to the role with gusto and his no-fuss approach has elevated this role within the club and simplified life for many of the club's volunteers.

The IT Steering Committee (ITSC) was established this year under the leadership of James Nola and is tackling a range of IT-related initiatives across the club. One of the first activities for the ITSC was to support the commissioning of the club's new website, which has delivered a major improvement to the club's on-line presence. For the 2022-2023 year, James will hand over the leadership of this group to Michael Hill. We thank all members of the ITSC for their contribution.

This year the Committee welcomed one new member in Sas McNamara in the role of Lifesaving Director, replacing Chris Perrott. Sas has applied her energy and creativity to the role and has made a significant impact in her first year. We thank Chris for his sustained contribution to the Committee and to the club in general.

My 'partner in crime' Angelo Biviano, retired from his role as Treasurer at the end of the 2021-2022 financial year. Angelo and I joined the Committee in 2015 and worked closely together implementing many new initiatives to develop the club's financial and administrative functions. Angelo has overseen a transformation of the club's financial processes including an upgrade to our accounting system, introduction of electronic banking, changing banks, arranging debt facilities to support the clubhouse rebuild, re-introducing budgeting processes and engaging an outsourced bookkeeping service provider, to name a few of the initiatives he has led. Angelo's impact on the club has been low-profile but significant. His presence on the Committee will be greatly missed.

As a result of Angelo's resignation, the Committee declared a casual vacancy and appointed Tony Martin to the vacant role of Treasurer, in line with the Club Rules. This gave Angelo the luxury of managing a smooth and complete handover to Tony, with whom we look forward to working over the coming years. The club is up to date with all its compliance requirements.

Our Member Protection Officers, Sue Traynor and Sam Paynter have continued to support our members with a range of questions and issues. Their wisdom and discretion are gratefully acknowledged.

I would like to acknowledge the ongoing generous support provided by Jeremy Smith as our honorary solicitor. His advice at critical times is highly valuable to the club.

Dr Natalie Hood continued in her roles as Honorary Medical Officer and the club's formal COVID-19 Officer. Natalie's dedication to the club in whatever capacity she is invited to assist is highly appreciated.

Ian Campbell continued his pursuit of club memorabilia and historical artefacts has resulted in a valuable record of the club's evolution. His continued work in publishing the club's annual reports is also greatly appreciated.

Next year will be significant in the history of the club's administration function with the planned appointment of a full-time general manager with a broad club management remit. The club's continued growth and expansion has brought us to a position where we need to make more permanent arrangements to manage the club reliably and in a way that makes the demands we place on volunteers reasonable and realistic. Under the new general manager, the club will determine the range of services and staffing requirements that will continue to provide the level of membership that we wish to provide to all members.

**Rob Mellor**  
Secretary

## HISTORIAN'S REPORT

### The Pandemic

Life at The Archive became a little more settled during the first quarter of 2021 as the Victorian Government reacted to the worsening COVID situation by re-instating lockdowns (lockdown 4) in May 2021, which caused Life

Saving Victoria to impose staff limits at LSV HQ, and the Archive went into another hiatus which would last until late October 2021. LSV lifted restrictions mid-February 2022 and the Archive volunteers returned to a mask wearing environment.

### MEMORABILIA FOR THE CLUBHOUSE

Progress on this stalled until mid-2022 when Mark Pizzi, Tim Hart and I restarted work on the plan for memorabilia displays in the clubhouse. Look out for a refresh of our collection of pictures and other items that the club has kept over the years.

Work on copying VHS tapes of Uncle Tobys and Kellogg's Ironman competitions held at Portsea during the 80's and 90's to digital format continued albeit slowly due to no access to our equipment at LSV HQ.

## CURATED COLLECTIONS

Copies of Annual Reports and selected Boomer magazines and a video display of historical photos from the 1960's through to the 1980's were prepared and on display at the Life Members lunch to induct recently nominated life members Dwight Harrison and posthumously Rick Berry.

**Ian Campbell**

**Portsea SLSC Historian**

Portsea Bronze Camp Dec 2021.

## LIFE SAVING DIRECTOR'S REPORT

Firstly, I would like to thank every active patroller for another fantastic and successful season at Portsea Back Beach. The 2021-22 patrolling season was filled with COVID-19, a brand-new patrol, a tonne of preventative actions, rescues, Team App, major first aids, and loads of fun!

Leading into the season, we were ready for the combination of high beach attendance and large surf, however with the rise in COVID-19 cases and many patrollers falling ill, the fate of the Portsea patrolling season was uncertain. Nevertheless, and in very typical Portsea fashion, Portsea SLSC was still able to fill every patrol all season and fulfil our patrolling requirements. Not every club in the state can say the same! I want to say a huge thank you to every active patroller for their flexibility and willingness to help at other patrols when numbers were down.

Portsea was not only able to fulfil our own patrol goals this season, but we also assisted other clubs on the Peninsula. One of these clubs was Rosebud LSC. Thank you to all the Portsea members who went to the Rosebud and kept another stretch of beach safe. It was certainly a different patrolling experience on the bay!

Due to COVID-19, the state Lifeguard service was also struggling big time. As the Chief Lifeguard of the Mornington Peninsula, I was at times unable to fill lifeguard shifts due to Lifeguards falling ill or being close contacts. I put the message out to some of Portsea's most experienced and reliable patrollers if anyone

would be willing and able to help the Lifeguard service. Sure enough, I had Dwight Harrison, Henry Kiss, Darren 'Spot' Kerr and Georgie Kerr raise their hands. They completed their mission (the lifeguard fitness test), had an interview with an LSV recruiter, and were handed their contracts all on the same day. LSV were extremely appreciative of the help these Portsea SLSC members provided to the service. On a personal note, I was so proud of our club and the people in it who were so willing to help me and contribute to the safety of the beach during their holidays.

Of course, there is no way I could do all this without some help. I am extremely grateful for the amazing leadership team that I was surrounded by this season. A big thank you to Griffin Mitchell for your help as Deputy Lifesaving Director. You are one of the most enthusiastic people I know, and your energy always encouraged me to continue solving the problems that arose. I would also like to thank the Patrol Captains, Patrol Vice Captains and Mentors from each patrol group. These Patrol Leaders accounted for 2,767 preventative actions, this essentially equates to 2,767 possible rescues or injuries that would have occurred if these patrols were not there.

I would also like to thank the Patrol Leadership group consisting of Chris Perrott, Stephanie Hunter, Sophie Courtney and Emile Stigter.

Thank you as well to our Portsea Lifeguard Development Coordinator, Nik Rathmayr, for running another very successful Portsea Lifeguard Development Camp and serving as an excellent leader in the Lifeguard community.

**Sas McNamara**  
**Lifesaving Director**

## EDUCATION DIRECTOR'S REPORT

This year we had an amazing season of education programs, and I would like to start with a massive thank you to all our Chiefs, Instructors, Water Safety, Trainers and Assessors who were involved in education at Portsea this season and are essential in successfully running these

education programs, we are all so grateful for your considerable contributions!

We kicked off the season with another successful Part-time Bronze course, led by the amazing Henry Kiss and Josh Nilsen. The program saw 25 candidates successfully attain their Bronze Medallion award and we were lucky to be able to deliver a face-to-face program once again. Congrats to all candidates on obtaining their Bronze and thank you to Henry and Josh for running another great course!

Excitingly we were back with Silver Camp this year after not being able to run the program last year. Griffin Mitchell and Oscar Hunter did a great job of organising the camp, where we were able to offer the IRB crew award to 45 eager participants and a great start to everyone's season with a few days of fun in the surf!

It was amazing to be able to once again run a 'normal' Bronze Camp, with 65 candidates living in at the surf club. The camp ran smoothly thanks to our amazing Bronze Chiefs, Instructors and Water Safety, as well as a great group of candidates. We had some amazing weather for the camp and I think all participants enjoyed spending time at the beach with friends and obtaining their Bronze Medallion! A massive congrats and thank you to Andrew May and Alex Madden for their amazing leadership.

Next up was the SRC program where 75 participants gained their SRC award. Chiefs, Steph Mahon and Alex Croft did an incredible job of organising and managing

this program, which was an amazing effort considering the program took place over the period of the Mornington Peninsula COVID outbreak! This program resulted in a wave of inspired 13 year olds eager to patrol the beach.

To ring in the New Year was Cadet Camp, with our leadership team of Jack White and Murdoch Hunter running the program, providing a great opportunity for last year's SRC's to develop their surf lifesaving skills both in and out of the water, including improving their board handling skills and enhancing their first aid and CPR knowledge.

Additionally, Henry Kiss and Jack White put in an amazing effort to deliver advanced training programs to the club's active members, organising First Aid, Advanced Resuscitation, IRB Crew, IRB Drivers and Side-by-side Vehicle operator courses across the season, it was great to see so many of our members upskill through these courses.

Finally, I am excited to announce we will be introducing a new program this June, our Platinum Camp which will be aimed at our Silver Camp graduates and teach a variety of new skills including aquatic search and rescue. Keep your eyes peeled for more information through the eBoomer and our social media!

Thanks again to everyone involved and can't wait to get back into it next season!

**Jacqui Hart**  
**Education Director**

Nippers 2022 Helicopter Display.

## JUNIOR DEVELOPMENT DIRECTOR'S REPORT

After over twelve months of planning dominated by COVID related scenario analysis, we were extremely pleased that the United Energy Portsea Nippers program (incorporating the inaugural Starfish Nippers Program) was

able to be delivered this summer. Whilst it was disappointing to have to cancel the final planned session and competition day due to the extended COVID outbreak on the Mornington Peninsula, the feedback we received from our Nipper parents was overwhelmingly positive on what we were able to achieve. As was the case last year, we were not quite sure where we would be by Christmas, but after enduring several lock-downs and knowing of the widespread cancellation of junior sport, we were incredibly focussed on the need to provide all of our Nippers with the best experience possible over the summer. Our ability to deliver on this goal was testament to the huge (and sustained) efforts of the Nippers Committee, including Ben Grodski (Back Beach Manager), Julian Sallabank (Front Beach Manager), Claire Whitbread, Glennis Winnett, Jodi Lancaster, Jo Robertson, Kristen Sagar, Anita Zanchetta and Bridget Smith, together with our Starfish Nippers Leaders Andrew Argyrou and Alexandra Madden as well as our Nippers Water Safety Officers Sophie Pedder, Spencer Thomas and Jessica Lim, all of our valued Age Managers, COVID Officers, Parent Helpers, Set-Up/Pack-Down Teams, Medical Teams, Administration Officers, Communications Team, Merchandise Team and Water Safety personnel. The smiles on the faces of all of our Nippers continue to make all of this hard work worthwhile and drives us to further innovate and improve the program. It was also pleasing to see the continued acceptance of parents and guardians to the social distancing and operational protocols we implemented last year. Once again, thank-you for your support and for the trust you put in us to develop the skills of your children. Also thank-you to LSV, Parks Victoria and the Mornington Peninsula Shire Council who were very supportive and accommodating to what we were able to achieve this year, in particular LSV for paying us a visit with the Westpac Rescue Helicopter, and Parks Victoria and the Mornington Peninsula Shire Council for their valued support of our inaugural Starfish Nippers Program.

A program such as ours is not possible without the generosity of our sponsors, led by United Energy who are incredibly engaged in what we are trying to achieve as a club and how we are developing our people and members of the community on the Mornington Peninsula, as well as Porsche Centre Brighton, Linfox, TGI Fridays, EY, Winnett Specialist Group, Boag Financial Group, RT Edgar, Backbeach Pizza, My Plan Manager and LAWD amongst others. Please continue support those who support our club. If you are interested in sponsorship opportunities, please reach out to me...it is a great investment to make in our community.

What this year has taught all of us is the benefits that come from hard work, teamwork, commitment and perseverance but more importantly how we can collectively positively impact the physical and mental development of our younger members. The experiences this year of the 615 Nippers who undertook the United Energy Portsea Nippers program (incorporating the inaugural Starfish Nippers Program) are a crucial part of developing their surf awareness, but also to their understanding of the coastal environment and, most importantly, who they are and what they can achieve. They are an amazing group of young people, we are proud to have them (and their families) as members of our Club and we look forward to seeing them back on the beach and ready to hit the water again later this year.

**Brett Croft**  
Junior Development Director

Victorian Endurance Champs Nov 2021, Gabe Cornwell, Logan Brandi.

Club Championships 2022 Flags.

## MEMBER ENGAGEMENT DIRECTOR'S REPORT

Member engagement was an exciting and growing space at Portsea this season. We were able to provide our members with opportunities both within the club and with Life Saving Victoria (LSV). Firstly, I would like to recognise my subcommittee members for their amazing dedication and support this season. Jack White promoted LSV opportunities to our members. Emma Hall coordinated Tribe events including

Bridge lessons, Yoga and the Launch event. Anita Siassios-Huntsman hosted our first Careers night and has plans for a series of networking events for next season.

We had three of our members attend the LSV U13 Development Camp- Kaan Ong, Phoebe Wilson and Arabel Banhidty and one member, Mia Horskins, attend the U15 Leadership Development Camp. Many of our members attended LSV's Blue Connections which is a series of networking events, a favourite was hearing from Ben Crowe who is a mindset coach. Furthermore, we celebrated the achievements of our female members with eight representatives at LSV's International Women's Day Breakfast, culminating in the nomination of Glennis Winnett and Alex Madden to be recognised by LSV for their outstanding contributions.

We helped to coordinate Tribe, which empowers female participation in order to foster an environment of equality and respect within the club. We organised the following events: Tribe celebration launch, Bridge, Yoga, Portsea Swim Classic and Tribe Swim Classic. These events were an amazing opportunity to bring our members together. There were a number of people who helped make these events possible, showcasing the supportive nature of our surf club.

This season we also ran our first careers night as a part of a series of networking events we are launching at the club. We had three speakers, Sue Traynor, Simon Traynor and Holly Longmuir who all shared their interesting journeys through their careers to date.

It was a very busy season but we are already looking forward to planning many more member engagement activities and events!

Member Engagement Director

Nippers 2022.

## PORTSEA CENTRE OF EXCELLENCE REPORT

In January 2022, United Energy increased their generous support of the Club and committed to a 5-year sponsorship arrangement, with an agreement that their support be used to benefit the Mornington Peninsula Community. The decision was made to create the Portsea SLSC Centre of Excellence (COE) to deliver these benefits and Life Member Henry Kiss was appointed to lead the COE.

The reasons that Portsea was the best club for the role came down to the following factors.

1. Portsea is now the largest club in Victoria;
2. We have the capacity to run programs and administer paid casual staff.
3. The club is committed to having more of a leadership role in the State.
4. The program provides an opportunity for the club to grow club activities beyond the back beach.

### Some key goals were established early on, which were to:

- A. Provide Surf Lifesaving Education and Experiences on the Mornington Peninsula.
- B. Become a Lifesaving Victoria Service Partner delivering LSV programs.
- C. Provide training and assistance to other Surf Lifesaving clubs on the Mornington Peninsula.
- D. Expand the scope of community engagement to include non-members of the club.
- E. Become potential partners with schools, clubs, businesses, and other community groups.

Partnering with Lifesaving Victoria Portsea, the COE delivered Beach Education Programs to over 200 primary school students from schools in Hastings, Tyabb and Tootgarook. The Beach Education program is essentially a Nipper program for schools aimed at students in grades 5 and 6. These programs ran at Dromana Bay LSC and Point Leo SLSC and employed staff from Sorrento, Gunnamatta, Point Leo and Portsea, making them a truly 'Peninsula' program rather than just a Portsea one.

These programs provided Lifeguards with employment outside of regular Guard season and also provided Work Experience for students at Frankston High School, who are on track to get paid positions this year.

Portsea has had a long-standing relationship with Frankston High School through the fantastic efforts of Rowan Cameron and James Cameron. This season the club was able to provide additional support and the students were able to stay at the surf club for the first time. This has really helped the students to feel a stronger bond and as a result attendance at patrols has been at an all-time high.

A quick summary:

- 24 Students gained Lifesaving Qualifications at November BM/SRC Camp.
- 16 students successfully completed Advanced Resuscitation Techniques certificate and First Aid.
- 12 senior students signed up to deliver schools programs.
- 54 students signed up for camp this year, a mix of SRC, BM and IRBC;
- Frankston High have also booked the club for a VET camp later in the year (Vocational Education and Training).

As a result of United Energy's support, time and effort was also invested into fundraising for Public Defibrillators. A Go-Fund-Me initiative raised money from the Weeroona Bay Swimmers to install a Defibrillator at Le Capucin Café near the Portsea Pier.

We were then successful in getting a Mornington Peninsula Council grant to install one at Point Nepean National Park (in the Rangers office). Two training devices have also been purchased and informal training in how to use the devices has been carried out at coffee time at the Pier, for the Sorrento Croquet Club (at Pt Nepean), and Parks Victoria Staff.

A donation from an anonymous benefactor will also mean that there will soon be a Public Defib installed outside the radio room at the Clubhouse.

Plans are in place for the future and the next year should see.

- Lifesaver for a Day, schools from Sorrento, Bittern, Tyabb and Hastings have booked in over 300 students for the beach education program this November/December.
- Working with Parks Victoria to promote Education Programs and Lifeguard Services to schools using the new campsite (open October).
- Negotiating with school and community groups on bunkroom rentals for camps.
- Possible initiatives with Headspace Rosebud for at-risk youth on the Peninsula.
- Supporting other Peninsula Lifesaving Clubs in their training with plans to replicate the Frankston High School Initiative.

Portsea Bronze Camp Dec 2021.

## EQUIPMENT DIRECTOR'S REPORT

The equipment portfolio operated smoothly over the 2021-2022 season. Operational, competition, training and event requirements were all met with a sufficient quantity and quality of gear. Minor damage occurred, mainly to boards, IRB motors and ancillary equipment including pumps, megaphones and rescue tubes, but no major damage occurred to threaten our operational requirements.

Significant attempts were made to minimise the financial impact of maintaining and purchasing Portsea's large quantity of gear. \$5,000 was covered under an ATV warranty claim. \$15,000 was provided to purchase SLSA approved gear under the BSEF (Beach Safety Equipment Fund) grant, and \$30,000 in 2:1 matched funding was provided by the government under the VESEP (Voluntary Emergency Services Equipment Program). Additionally, all board and IRB repairs were completed by our members, with repair components provided at low cost by cooperative suppliers. This resulted in very reasonable equipment finance actuals.

Various minor but beneficial changes were made to equipment and the storage room. Ease-of-use upgrades were implemented on the patrol trailer, which minimise OH&S risks when loading/unloading heavy marquees, as well as improved flag/sign storage. A fantastic, large new sign was placed during the peak-season halfway down the ramp. A mini storage table near the roller-doors and board wash-down racks were also built. Finally, a workshop was installed in the back corner of the gear room, which has proved to be incredibly useful for ongoing repairs. Shout-out to the facilities sub-committee for their ongoing assistance.

IRB usage has improved across the club, with nearly 20 new IRB drivers trained in the last season and impressive results in the IRB competition. IRB motors have presented minimal hiccups, and drivers are becoming more mechanically knowledgeable.

Finally, a few major projects are planned over the coming months. Resurfacing the equipment room, re-arranging the storage racks, new boards, a new fuel cabinet and an air-compressor to dry IRB engines and inflate ATV tires. All other ideas welcome!

I would like to praise everyone for another fantastic year at Portsea. Thank you to everyone who has assisted me personally. I look forward to the turn of the new season!

**Andrew May**  
Equipment Director

TRIBE Launch December 2021.

Lifesaver Awards Canadian Bay Rescue 2021: Oscar Peddle, Ryan Peddle.

## SUSTAINABILITY DIRECTOR'S REPORT

This season the Sustainability portfolio saw its biggest season of engagement thus far. I am very proud of the work of the Sustainability team and would like to extend a thank you to all our members who helped this season.

Our Education team, led by Natarsha Madden and Finn Nicholas, saw our Sustainability education curriculums delivered in all of our summer education programs. These programs were designed by Natarsha and Finn to be engaging and showcase important facts about the environment we live in and how we can help preserve it.

With the success of our education programs, delivery, we were able to gain keen interest from our younger members. As a result of this interest, we created the Junior Sustainability Subcommittee, which aims to meet the interest expressed by younger members in learning the club, leadership structure and working with the sustainability team. This team is chaired by Annabel Trivett and will work to provide key leadership skills training and mentorship opportunities to our emerging leaders.

Our beach clean team, Flynn Chable, Finn Nicholas and Tom Nelson lead several successful beach cleans this summer. Thank you to patrol captains who led beach cleans during their patrol and assisted with our organized beach cleans. I would also like to extend a thank you to the families and members who turned out in support. We were able to collect rubbish across the whole beach. The main items of rubbish that were collected this season were cans and plastic food containers. It's important to remember that Mt Levy beach and our club is housed in a national park, therefore it's encouraged that you take all rubbish home with you to dispose of correctly.

I would like to extend a thank you to Accommodation Director, Nik Rathmayr, who worked with Holly Hart, our Sustainability Communications Officer, to implement a waste management system in the bunk rooms and communal areas of the club. The recycling and general waste bins assisted in our goal of presenting sustainable alternatives in an accessible and achievable way to our members.

Holly Hart also worked on boosting our social media presence. Our Instagram page, @pslscsustainability, promotes sustainable alternatives, local events and updates on sustainability portfolio events and important news relating to the Hooded Plovers.

I would like to once again thank the Sustainability Subcommittee team for their dedication and innovation, their work has allowed this portfolio to grow and engage with many local groups, sustainable brands and our wider membership base. I am thrilled to announce that Tom Nelson will be taking over the directorship of this portfolio. Tom has been a member of the subcommittee since the beginning and has continuously shown a keen interest in sustainability and improving our club. I wish Tom all the best in this role and have no doubt he will be amazing.

Thank you to all our members and subcommittee officers who have assisted me in growing this portfolio over the last three years. I am so proud of the work of our club in becoming more conscious and sustainable each season. I am excited to see how this portfolio grows in the future. Thank you for a terrific 2021-22 season, see you on the beach.

**Alexandra Madden**  
Sustainability Director

Portsea Silver Camp Attendees December 2021.

## COMPETITION REPORT

The enthusiasm of the Portsea SLSC Competition Team athletes, coaches and supporters has shined this summer after last season was severely impacted by COVID. Although we had come out of government enforced lockdowns,

many of our team members were hit by COVID themselves or forced into isolation due to close contact rules, meaning our competition team training and functions were marred by disruptions and loss of key leaders.

### Junior Competition Team

We had a wonderful cohort of junior competitors training on the beach after Nippers, with the highlight being the great sessions we had at Portsea Back Beach going for long paddles out behind the surf break, honing their surf skills, both on the board and body surfing. The benefits of our training and skills program have immediate impacts on the ability of the children in the water and this will flow through to their development at Nippers, SRC and as Bronzies. Over the past two seasons the Competition Team has implemented a plan for our Youth competitors to coach the Junior Team and special mention goes out to our coaches this season. Tom Regan, Steph Hunter, Emile Stigter, Harvey Larke and Luke Tucker.

The Junior Team competed at carnivals at Mt Martha, Mordialloc, Pt Leo and the Victorian Surf Lifesaving State Championships at Lorne, led by our Captains, Josh Wills, Abbey Hogg, Paige Guthridge, Amber Larke and Tilly Wilson, with 20-30 juniors competing at each carnival.

The Victorian Championships were held over three days in late February, at Lorne. It was a massive week-end of competition with the competitors doing water events on the Friday and Sunday in very challenging surf conditions, and beach events on the Saturday. Portsea's results were outstanding given the small size of our team this year. Our medallists were:  
U13 Girls Surf Teams Bronze, Abbey Hogg, Paige Guthridge, Amber Larke and Tilly Wilson.  
U13 Girls Long Run Bronze, Abbey Hogg.  
U13 Girls Surf Race Bronze, Amber Larke.  
U13 Girls Aqua Cameron Bronze, Abbey Hogg, Paige Guthridge, Amber Larke and Tilly Wilson.  
U12 Girls Surf Teams Bronze. Sophia Barnaby, Milla Cohen, Isla Morris and Freya Regan.  
U11 Girls Long Run Gold, Sophie Hall.  
U9 Boys Long Run Gold, James Hall.  
U9 Boys Beach Sprint Silver, James Hall

### Club Champs

Club Champs saw an amazing turn out from competitors of all ages. In typical Portsea style the swell was big, and the sun was out for our competitors as they raced against their mates in beach and water events. Despite a few setbacks from

members still in COVID isolation, and others recovering from illness, it was great to see age old rivalries come out, as well as stellar performances from the next generation of Portsea athletes.

The day started off with a shock victory by Luke Tucker in the 2km beach run over reigning champ and state gold medallist Griff Mitchell. Sixteen-year-old Luke would also go on to take out the Yencken Cup, open board and open iron. Competition legends Jim Unkles and Nick Tissot showed they've still got it, taking out the beach sprints and flags. When it came time to take on Portsea's notorious big swells Mackie Hunter set a high bar in the first board race, being the only girl to make it out the back. She also showed her strength in the swim, winning this year's Nat Hood Cup.

Thank you to all those who helped organise and run the day and congratulations to all competitors, especially to the overall category winners.

Junior Youth Male Club Champion.

Campbell Wilson-Moran.

Junior Youth Female Club Champion, Maggie Betts.

Senior Youth Male Club Champion, Ned Betts.

Senior Youth Female Club Champion, Mackie Hunter

Open Male Club Champion, Luke Tucker.

Masters Male Club Champion, Jim Unkles.

Masters Female Club Champion, Sophie Tissot.

Yencken Cup Winner, Luke Tucker.

Nat Hood Cup Winner, Mackie Hunter.

### Masters Competition Team

The Portsea Masters team headed to Lorne for the Victorian Titles held in the first weekend of February. Easterly winds on the Saturday, mixed with sloppy onshore swell with a very short period between waves made for challenging conditions, a real reward for the hard yards that the ski team have been putting in all year long to train for it.

The real winner on the Saturday was the alarming change in performances across the board, as there were no injuries! Not one member of the Portsea team required a wheelchair, ambulance, green whistle, sling or secretive drive home. Highlights included. Susan Crow, Chloe Hardman and Lyndall Willis dominating the women's team events in the water, with Chloe and Susan taking individual gold medals away in both board and swim events. Club President Matt Mahon with a single ski gold in a photo finish. Medals galore, of all colours, in double ski and team events, with Charlie Schall, Tom Kennan and Eamonn Murphy all on fire! Michael 'Whippy' Wilson taking home swim, board, ski and Taplin gold medals. Cameron Hunter and Anthony Purcell with extremely solid days, medalling in most events they touched!

Sunday brought the beach events, and some much kinder weather! Matt Mahon stepped up to fill the relay shoes of Darren 'Spot' Kerr who had moved to sunnier, COVID-free climes up north. Henry Kiss stormed home with a blistering finish that saw the team running away with the gold again over Point Leo. Whippy Wilson tore a hamstring going for his 6th gold in the 1 km beach, and beach flags saw the upset of the century with club Deputy President Brett

cont,

Croft taking the gold over Henry. There were some good wins as well in the young-old bulls arena with Jim Unkles gracefully crossing the beach sprint line to ensure there were more gold medals heading back to Mt Levi.

Release of the club point scores saw Portsea third overall, our best ever Masters result and we are on the hunt for next year!

### **Youth/Open Competition Team**

The opening event of the season was the Endurance State Champs, where Portsea members took a swag of medals, dominating in the swim events, with golds to Sophie Jacka U14, Logan Brandi U15 Xavier Purcell U17, Mackie Hunter U17, Amanda Benson Masters, plus many silver and bronze medals in the swim, ski events and running events, including a trifecta in the U17 2km swim.

December saw a string of carnivals at Ocean Grove, Jan Juc and Mt Martha attended by our core competitors, including the State Team Trials, that saw Xavier Purcell and Gabe Cornwell selected as swimmers for the Victorian State Lifesaving Team that toured to Sydney mid-January. Portsea had 25 youth/open members entered at the January Anglesea carnival, only to see it cancelled by LSV last minute as the organisation was hit by increasing COVID cases amongst its staff and senior volunteers.

The Lorne carnival in early February saw a show of strength in the Youth Women's area, with the team of Maggie Betts, Sophie Jacka, Mia Horskins and Annabelle Mahon taking out the U15 Cameron event, Logan Brandi, Xavier Winnett and Charlie Cornwell going 1,2,3 in the U15 tube race plus Gabe Cornwell winning the Open Iron.

For years Portsea's Youth/Open team has shown its strength in the swimming arena. This year unfortunately saw a clash of lifesaving and pool swimming champs both at a state and national level that saw a number of our swimmers need to juggle the two and as such led to diminished numbers at the lifesaving states and Aussies.

Our small team that journeyed to Warrnambool for the Vic Champs were rewarded for their efforts. Charlie Cornwell U15 and Mia Horskins U14 each won gold in their surf races. Bellsy Mahon joined Mia in a composite team to add to the point score in the beach relay, swim team and Cameron relay, and Charlie Cornwell joined a composite team to take silver in the U15 Cameron relay.

Down in the boat arena Portsea's Open Women's Crew, Amanda Rukuwai, Em von Moger, Scarlett Blewett, Alex Hagan and Stephen Blewett (sweep) was hard rowing! Although missing out on the medals, the crew showed that they have great boat speed when racing head-to-head with their competitors. The luck of the surf went against the crew who were beaten in two of the heats by teams coming in on waves from behind. Although they won the 4th heat, the team ended up 4th overall.

Without a doubt the standout competitor at the Vic Titles was Gabe Cornwell who took home a swag of medals including gold in U17 ski and iron, bronze in U17 surf race and then in a massive final effort took bronze in the Open Men's Iron.

### **AUSSIES TEAM 2022**

Over nine long days in April, 21 Portsea members competed in the Australian Surf Lifesaving Championships on the Gold Coast. First up was the Youth Champs, then the 2km Ocean Swims, The Masters and finally the Surf Boat and Open Events, with Portsea fielding entries across all of the Championship events.

#### **Highlights included.**

##### **U14/15.**

Charlie Cornwell, semi-final U15 surf race.

Mia Horskins, 5th 2km open water swim.

Annabelle Mahon, 12th 2km open water swim.

##### **U17/Open/Surf Boats.**

Gabe Cornwell, finalist, U17 men's single ski.

Open Women's Surf Boat, semi-finalists (Scarlett

Blewett, Alex Hagan, Amanda Rukuwai, Emily von

Moger and Steve Blewett (sporting a broken rib!)

##### **Masters.**

Sue Crow, Gold in Surf Race, Silver medal in 2km open water swim.

Chloe Hardman, Bronze medal ski race.

Brett Croft, Bronze medal beach flags.

Beach relay (170 years) 6th place

(Henry Kiss, Jim Unkles, Matt Mahon, Brett Croft).

Surf teams (170 years) 7th place (Gerald Betts,

Anthony Purcell,

Cameron Hunter).

Double ski (50-55) 10th place (Tom Kennan/

Matt Mahon).

Nat Hood 13th in 2km swim (50-54years), with both

Achilles intact!!

#### **Youth/Senior Competition Team Administrator**

## IRB RACING TEAM, 2021 SEASON

Summer is the 'off season' for IRB racing, but the warmer months were used to recruit, train, improve on surf skills, and ensure team members were up to date with their awards. The 2021 IRB competition season ran from April to June with

Australian titles often falling in July. Unfortunately, due to COVID, the IRB Australian titles were cancelled. However, we were lucky enough to still be able to compete at States before being put into another lockdown!

The Portsea IRB team had been on a hiatus for the past few weeks and thanks to Sean Cummins, Andrew May, Sas McNamara and Simon Wilson, we were able to get a team together, learn the rules of IRB racing and start competing for Portsea again. The cold water temperatures and putting on cold and wet wetsuits did not deter any of our competitors as they braved the chilly mornings and long drives to carnivals.

Our first carnival was at Mordialloc where Portsea was a finalist in 9 events (Opens and U23s), plus medalled in 4 events! For a team which only had 2 returning members from the past Portsea IRB team, that is an incredible effort. The season continued with many highs and lows, making plenty of mistakes and learning from them, getting DQ'd and appealing them, and making lifelong friendships within and outside the team.

At states, the Portsea team did exceptionally well, earning 6 medals! Special congratulations to Sas McNamara and Sophie Courtney who came 2nd place overall in the Open Women's Tube series, earning them a Prop trophy!

1st place U23 Women's Tube - Sas, Sophie, Marcus.

2nd place Open Men's Tube - Nik, Sean, Finn.

2nd place U23 Men's Teams - Nik, Sean, Andrew, Finn, Marcus, Elissa.

3rd place Open Women's Tube - Sas, Sophie, Sean.

3rd place U23 Women's Rescue - Sas, Steph, Elissa.

3rd place Open Men's Rescue - Darcy, Marcus, Elissa.

As a team, we would like to thank the support we have received thus far from club members, officials, and especially Simon, Aqua, Terry, Michael, Gayle, Guy and Stephen. We would also like to extend a huge thank you to Bec Morris who provided us with all the help and guidance we needed in our first year back of competing in this sport!

## 2021 IRB Team - Competitors

Alex Madden, Andrew May, Ani Carr, Bec Morris, (Team Manager) Blair Nuske, Chloe Howling, Darcy Cummins, Elissa Wright, Finn Nicholas, Jack White, James Nola, Nicholas Iatrou, Nik Rathmayr, Sas McNamara, Sean Cummins, Sophie Courtney, Stephanie Mahon, Tom Morrison, Tom Nelson, William Richards.

## 2021 IRB Lorne States - Results

Elissa Wright (P)

3rd place - Open Men's Rescue

## Sas McNamara IRB Team Manager

IRB State Titles 2022 Andrew Argyrou, Natarsha Madden, Sophie Courtney, Finn Nicholas.

## MAJOR EVENTS

### Portsea Swim Classic

January 15, 2022 delivered us a glorious day, and one that once again enabled us to showcase the beautifully pristine waters and other spectacles that the Pt Nepean National Park delivers. This, along with a fast-flowing current,

helped all the swimmers enjoy the various races over the 500m, 1,500m and 2,500m courses.

With the cloud of COVID-19, reinforced by the arrival of Omicron, the spectacle of the Swim Classic once again gave the swimmers the opportunity to have a break from the rigours of the world and to let the enjoyment of the day give their minds some much needed relief. We once again restricted the event numbers to approximately 2,500 competitors to maintain the strict safety measures required, and to ensure a safe and successful event could be delivered.

This year marked the Portsea Swim Classic's 36th continuous year of the open water swimming event being staged. This achievement, given the complexities experienced in 2021, and again this year with Omicron, cannot be over-emphasized. The lessons we had learnt, and the systems, processes and understanding that we had developed in 2021 came to the fore. Due to the unwavering dedication of our large group of dedicated volunteers, some of whom had only just recovered from the virus, we were able to effectively deliver the event again.

I cannot emphasize enough the dedication of the area heads of the PSC and those in the greater PSLSC community who worked so hard prior and, on the day, to enable the 2022 PSC to occur. People continue to comment on the professionalism and the way the day operates seamlessly. Unlike many other events that have independent management groups running them, the PSC is planned, and run, by PSLSC volunteers, which means that the PSLSC gains the maximum financial outcome from the day. This is something that we all should not lose sight of and should be extremely proud of.

The excitement and mental relief that the 2021 PSC was able to deliver, to those competing, was palpable. With many other swimming events again cancelling or moving to a virtual format, the swimmers, focus had once again moved to the 2022 PSC and the hope, and high expectation that we could once again deliver on the day.

To maximize the potential for us to successfully deliver the 2022 PSC, the PSC sub-committee drew on all the lessons that we had learnt from the 2021 event. This process ensured that the necessary contingency planning was in place, and we were able to go into the day with the confidence and tools to deliver the event in a COVID-safe way. The strategies that had seen us successfully stage the 2021 event

were once again implemented, but as with 2021, the realisation that the 2022 event may not proceed was always a real possibility.

It was another proud moment standing on the Quarantine oval, watching the PSLSC volunteers efficiently undertaking all the duties required and ensuring that when issues arose, they were quickly resolved, without fanfare or disruption to the event. I also had the great pleasure of watching one of our 70+ aged swimmers come across the line with his daughter this year after competing in the mixed class event. This was an inspiring and special moment, as only 12 months earlier he had had a life-threatening medical event on the finish line, where he was revived by the PSLSC team and later under-went heart surgery. These moments are the things that epitomize what we do as lifesavers and the importance of what we learn. These events, and the money they raise, are so important to all lifesaving clubs, not just PSLSC, as they help ensure our training programs and other initiatives can be facilitated.

We cannot thank the sponsors of the event enough. Their commitment, and belief in what we could achieve, was critical in allowing us to move forward with the confidence required to effectively deliver the event.

#### Gold Sponsors

Blazer Clothing  
Crestone  
Grainshaker

#### Silver Sponsors

RT Edgar  
People4Ocean

#### Bronze Sponsor

Berwick Motor Group

#### Event Partners

Orca, Dry Ears, Funky Trunks, Funkita, Therabody, Engine, Splitrock, Tiro & World Series Swims

Thanks must also go to a new look team from RT Edgar, who supported Graham Wells and took control of the main event microphone, delivering the day's information, interspersed with a lot of entertainment and banter.

Across all areas that are required, from bag packing, car park, registration, start and finish line, merchandise tent, general helpers and finally the water safety and first aid teams, I think I speak for all of you when I say, 'Thank You' to all the volunteers who selflessly gave up their day to deliver such a fantastic event.

A special mention to the core group of people, but certainly not the only people, who once again came together to control specific areas and to support me. This started as soon as the PSC 2021 ended and didn't end until the final cleaning of PSC 2022 was completed: Christine Walton, Andrew Argyrou, Jane Zhou, Andrew May, Darren 'Spot' Kerr, Richard 'Tricky' Fisher, Andrew Cox, Tim Adams, James Nola, Josh Nilsen, Jessica Lamb, Matt Mahon, Tony Casticum & Angelo Biviano.

cont,

Without the dedication and commitment of all these people, this event would not have occurred. It was once again an extremely challenging year, in which I am proud to say, we once again overcame the odds and came out on top.

Planning has already commenced for the 2023 Portsea Classic weekend with the Portsea Swim Classic to be held on Saturday 21st January 2023 and the Bay to Surf, Adventure Run & Walk to be held on the evening of Friday 20th January 2023.

Stay safe and we look forward to seeing you again next year.

**Craig Evans**  
**Swim Classic Event Director**

### PORTSEA BAY TO SURF

On the 14th of January 2022 Portsea SLSC held the Inaugural Portsea Bay to Surf! The event saw 450 competitors walk and run through the picturesque landscape of Point Nepean National Park, tackling either the 9km endurance adventure

run, 4.5km dash or 4.5km adventure walk.

It was spectacular to see so many smiling faces take to the start lines at Jarman Oval, Quarantine Station. We are so proud that we were able to deliver this event in a COVID-safe manner in the face of rising COVID case numbers across the Mornington Peninsula.

We would like to thank all competitors who supported and trusted in our ability to deliver a safe, fun and memorable event, as well as all the volunteers who made this event possible. We would also like to thank our major event sponsors Brooks and Bared Footwear who placed their faith in us to make this event a success, as well as our event partners Carman's and Therabody.

It was a proud moment walking down the ramp at Portsea, watching all the competitors stream across the finish line against the picturesque back drop of the sun setting behind the waves on Portsea Back Beach and hundreds of competitors who had already crossed the finish line enjoying a drink and a bite to eat on the Portsea clubhouse deck.

We really appreciate all the feedback we received and are excited to implement this into next year's event which is gearing up to be even bigger and better than the inaugural event! Please keep an eye out for registrations for the Bay to Surf 2023 or consider putting your hand up to help with its implementation. As usual, volunteer support lies at the core of what makes these major events possible, and we appreciate it greatly. I'm looking forward to watching this event expand, develop and prosper in future years as it becomes a permanent fixture on our club calendar!

**Jessica Lamb**  
**Portsea Bay to Surf Event Director**

### PIER TO PERIGNON

All Smiles at the 34th Pier to Perignon 4km Swim from Sorrento Pier to Portsea Pier. The P2P is a unique one wave open water swim with over 900 swimmers starting at the same time. It all began 34 years ago when Ted Baillieu

and Robert Robertson raced for a bottle of Dom Perrignon.

It was second time lucky on Sunday April 10th this year, with the swim cancelled in February due to strong northerly winds. P2P take two and conditions got pretty choppy as the northerly winds blew again. It has been described as the hardest P2P in history! Congratulations to all the swimmers for braving the tough conditions and thank you for your continued support of this wonderful event.

A big thank you to the team of over 150 volunteers from Portsea SLSC who pitched in to deliver a world class open water event. Hats off to the extraordinary Water Safety Crew.

These events simply don't happen without the support of Sponsors. Thank you to our Title Sponsor Kay & Burton, Gold Sponsor Crestone Wealth Management and our Bronze Sponsors Cousins Tours and Travel for the wonderful prize taking the winner to Dardanelles Swim in Turkey, Tintuppa Landscapes and Garden Maintenance, Smith Builders, Light On Landscape and the Balter Brewing Company.

Great to work with the team at 'Portsea Camp' who support the end of race celebrations and presentations.

We are looking forward to P2P 2023.

**Sam Paynter**

### LSV Awards of Excellence

#### Victorian Club of the Year (Beaurepaire Shield)

The Beaurepaire Shield is presented annually by Lifesaving Victoria in recognition of its Club of the Year. Portsea SLSC has been recognised in the following years. 2018 Portsea SLSC. 2020 Portsea SLSC.

#### John Wishart Medal for Life Saver of the Year

The Wishart Medal is named in memory of Portsea Club Captain John Wishart who tragically lost his life at the Portsea Back Beach in 1956 and is awarded to Victoria's Surf Life Saver of the Year. This year's award was won by our own Chris Perrott in recognition of his outstanding service over the 2020-2021 season. Portsea members who have been recipients of the Wishart Medal are:

1959	Peter Glenn	1974	Brian Hall
1979	Steve Reid	1988	Tim Hart
1990	Natalie Hood	2021	Chris Perrott

#### Youth Lifesaver of the Year

The Westpac Youth Lifesaver of the Year is one of LSV's major awards and is granted to someone who delivers on LSV's mission to prevent aquatic related death and injury by drowning in all Victorian communities. For the 2020-2021 season, the winner of this award was Portsea's Andrew May.

#### Beach Lifeguard of the Year

Sas McNamara was awarded the LSV Beach Lifeguard of the Year award for her contribution to LSV's lifeguard services for the 2020-2021 season.

#### Administration Club of the Year

Portsea was awarded the Administration Club of the Year award in recognition of excellence in club administration for the 2020-2021 season. The award was shared with Mount Martha LSC.

#### Life Saving Victoria Life Members

The following members of Portsea SLSC have been awarded Life Membership of Life Saving Victoria for their services to lifesaving in this state. 1962 Mil Napthine (Deceased). 1981 Roy Boyce (Deceased). 2018 Natalie Hood.

#### SLSA Awards

##### Australian Surf Lifesaver of the Year

The Australian Surf Lifesaver of the Year award is presented annually at the Australian Surf Life Saving Championships. 1990 Natalie Hood

##### Life Saving Victoria President's Commendation

This award is made by the President of Life Saving Victoria to recognise outstanding service by a club member over an extended period of time. 2011 Ian Campbell 2016 Tim Hart

#### Surf Life Saving Australia

National Medical Advisor and Portsea Life Member Dr Natalie Hood continues to serve Surf Life Saving Australia through her involvement with our peak body as a member of the SLSA Medical Advisors Group and the International Life Saving Medical Committee.

#### Surf Life Saving Australia Life Members

The following members of Portsea SLSC have been awarded Life Membership of Surf Life Saving Australia for their services to lifesaving at a national level. 2019 Natalie Hood

#### SPONSORS

The Portsea Surf Life Saving Club is supported by a large and diverse group of sponsors who contribute funds, equipment and services to the Club. We depend greatly on this support to ensure the community service we provide to the public using the beach is first class. Portsea SLSC gratefully acknowledges the generous support of our loyal partners and sponsors, most of whom have faithfully supported the club, its operations and events for many years.

#### Portsea SLSC Partner

United Energy is the major club sponsor. Together with United Energy, the Club is delivering a range of educational programs over the course of this multi-year arrangement.

Cousin Travel  
Tintuppa  
The Humble Founders

The Club thanks major sponsor Kay & Burton Portsea for their support of the Pier to Perignon. Liz Jensen, Director of the Portsea, Sorrento branch of Kay & Burton real estate agents has been a major sponsor of this great event since 2004. The club values highly our sponsors, with the income derived from this event channelled into lifesaving equipment for the protection of swimmers on the iconic Portsea Back Beach.

## RESCUE & AWARDS SUMMARY

Rescues performed by members at Portsea for season 2021 - 2022

RESCUE SUMMARY	2021 / 2022	2020 / 2021	2019 / 2020
Rescues unaided	0	0	0
Rescue tube	3	3	2
Ski	0	0	0
Rescue board	1	9	0
Inflatable Rescue Boat	3	4	5
Helicopter	0	0	0
<b>TOTAL</b>	<b>7</b>	<b>16</b>	<b>7</b>

Preventive Actions	2,818	3,439	775
Patrol Hours	7,682	9,262	5,582
Minor First Aid	42	12	9
Major First Aid	7	3	1

Totals of the major patrolling awards gained by Portsea since 1949.

PATROLLING LIFESAVER AWARDS	2021 / 2022	2020 / 2021	2019 / 2020	Total Since 1949
Surf Rescue Certificate	39	85	103	1,524
Bronze Medallion	81	87	117	3,329
Silver Medallion (Beach Management)	7	4	12	27
Gold Medallion (Advanced Lifesaving)	8	4	17	103
Advanced Resuscitation Technique	43	12	62	699
IRB Driver	12	2	7	143

## MEMBERSHIP SUMMARY

Membership numbers for the various categories for season 2021 / 2022 were.

MEMBERSHIP	2021 / 2022	2020 / 2021	2019 / 2020
Honorary Life	31	31	29
Active(1)	477	454	350
Active Reserve	0	2	2
Associate Life (2)	0	0	0
Associate	539	385	164
Active Family Memberships (3)(4)	603	531	932
Associate Family Memberships (3)(4)	546	526	
Additional Active Family Members (5)	1,997	1,730	2,886
Additional Associate Family Members (5)	1,266	1,408	
Foundation(6)	123	123	123
Nipper	615	576	545
Bronze	75	94	106
Cadet	66	74	70
<b>TOTAL(7)</b>	<b>5,223</b>	<b>4,820</b>	<b>4,219</b>

### Notes.

- 1.Active Members: includes all members who attended patrols this season.
- 2.Associate Life Membership: is a category of membership that was reserved for a group of members who materially assisted with the formation of the club in 1949. All these members have now passed away.
3. Family Memberships represent the number of family groups in the Club.
4. Families with at least one member actively participating in patrols, Nippers or education camps are eligible for Active Family membership. Other families are eligible for Associate Family membership. This distinction was introduced for the first time in the 2020 / 2021 season.
- 5.Additional Family Members: members who belong to a family membership, other than the primary family member.
6. Foundation: represents a group of members who were granted honorary family membership in the 1980s.

7.TOTAL: the membership numbers in the table include a degree of double-counting due to members being part of more than one group (e.g. Nippers are also Additional Family Members: some life members are also Active patrolling members, etc). The Total figure reported at the foot of the table excludes double-counting and represents the total number of current members of the Club.

### DONATIONS

In addition to the donations received by the club specifically in aid of the clubhouse rebuild project, Portsea SLSC also gratefully acknowledges donations received in 2021/2022 from the following sources:

- The Portsea SLSC Foundation;
- Rotary Club of Sorrento;
- Ritchies Stores Sorrento.
- Kevin Spooner & Christine Spooner
- Fish Club
- Napthine Fund

## VALE

### MAL HALL

The club is saddened to hear of the passing of our most senior Life Member Mal Hall on Sunday 30th January 2022 at the age of 87. Mal joined the club in season 1952/53 after gaining his Bronze. In Season 1958/59 Mal was elected to the role of Club Captain and Chief Instructor. It was in the Club Captains position that he shone, driving the Active members to be more involved in the club that was such a big part of his life. Mal stood down as Club Captain in 1962 and continued to serve on the committee as Deputy President and Vice President for several years. Mal was a fine swimmer racking up many rescues in the belt and delivering great performances at surf carnivals. Portsea SLSC offers their condolences to the extended Hall family.

### DAVID FLOCKART

9/10/1965 30/04/2022

It is with great sadness that we shared the news of the passing of David Flockart, who died on Saturday 30th April 2022, with his family by his side. Dave joined Portsea SLSC in 1993 with his brother Pete and a group of friends with a strong interest in ski paddling and went on to form part of a strong and successful team which represented the club at State and National Titles over the next eight seasons. Dave continued to compete at Victorian and National Masters titles during his time with Portsea. In late 2021, Dave courageously shared his battle with bowel cancer, encouraging all members to take advantage of the free screening kits made available, and to get regular health check-ups. The story, which was shared through our eBoomer, generated more member feedback than any other edition in the past few years, and was used by the Cancer Council to further generate awareness of the preventative measures available. To Sue, Charlie, Nick and the extended Flockart clan, from the bottom of our hearts we extend our deepest sympathy.

### JAMES TSINDOS

Portsea SLSC mourns the death of James Tsindos on 1st June 2021 at the young age of 17. James was an active participant in the Nipper program over many years. During his Nipper years his parents, Harry and Veneta, acted as Nipper helpers, and then supported the clubhouse rebuild program in recognition of what PSLSC meant to James and the Tsindos family. The Club extends its deepest sympathies to the Tsindos family and friends.

### BRIAN BLYTHE

Brian had been a member of the Portsea SLSC Foundation since its inception in the mid 1980's, and the Blythe family were generous supporters of the recent clubhouse rebuild appeal. Our thoughts are with the Blythe family, many of whom are involved in the Portsea SLSC.

### BARRY COOPER

Barry was adamant Portsea needed a strong lifesaving club and quality clubhouse and so was a cornerstone contributor to the clubhouse rebuild. Barry was an integral member of the Portsea SLSC community. Our thoughts are with Barry's family.

## JOHN KONRADS

John played a central role in the formation of the Portsea SLSC Foundation in 1986. John was the inaugural Secretary of the committee and along with his wife, Mikki, held numerous fundraising events at their Portsea home. His passion for the Portsea SLSC continued even when he moved to Queensland. John was a giant of Australian swimming, an Olympian and will be remembered as one of Australia's greatest swimmers.

Simon Knight, Henry Kiss Defib Install.

## COMPETITION

### 2021- LSV Victorian Endurance Championships.

#### Cosy Corner

##### Individual Medals

### **Rebuild Donors**

Portsea SLSC wishes to gratefully acknowledge the donors whose generosity and ongoing support made the clubhouse rebuild project possible. Donors stepped forward from all corners of the Portsea SLSC community and demonstrated a willingness to support the Club that has enabled the creation of an asset that will transform the Club. The Club wishes to acknowledge the tireless work of life member Nick Martin in managing the Club's rebuild donation campaign.

## Financial Report for the Year Ended 30 April 2022

### COMMITTEES' REPORT

Your Committee Members submit the financial report of Portsea Surf Lifesaving Club Inc for the financial year ended 30 April 2022.

#### Committee Members

The names of Committee Members during the year and to the date of this report are:

Matthew Mahon	—	President
Brett Croft	—	Deputy President & Junior Development Director
Tony Martin	—	Treasurer (appointed 01/05/2022)
Angelo Biviano	—	Treasurer (Retired 30/04/2022)
Robert Mellor	—	Secretary
Jessica Lamb	—	Club Captain
Andrew May	—	Equipment Director
Sas McNamara	—	Lifesaving Director
Jacqui Hart	—	Education Director
James Nola	—	IT & Building Director
Priscilla Brown	—	General Director
Sue Crow	—	General Director

#### Principal Activities

The principal activity of the Association during the financial year was as a Surf Life Saving Club.

No significant changes in the nature of the Association's activity occurred during the financial year.

#### Operating Results

The surplus of the Association amounted to \$ 444,551 (2021: \$962,688)

#### Significant Changes in State of Affairs

No other significant changes in the Association's state of affairs occurred during the financial year.

#### Auditor's Independence Declaration

The lead auditor's independence declaration for the year ended 30 April 2022 has been received and can be found on page 2.

Signed in accordance with a resolution of the Members of the Committee.

## NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 30 APRIL 2022

The financial report is for Portsea Surf Life Saving Club Inc as an individual entity. Portsea Surf Life Saving Club Inc is an Association incorporated in Victoria and operating pursuant to the *Associations Incorporation Reform Act 2012* and the *Australian Charities and Not-for-profits Commission Act 2012*.

### NOTE 1: STATEMENT OF SIGNIFICANT ACCOUNTING POLICIES

#### Basis of Preparation

Portsea Surf Lifesaving Club Inc applies *Australian Accounting Standards – Reduced Disclosure Requirements* as set out in AASB 1053: *Application of Tiers of Australian Accounting Standards*.

The financial statements are general purpose financial statements that have been prepared in accordance with *Australian Accounting Standards – Reduced Disclosure Requirements* of the *Australian Accounting Standards Board (AASB)* and the *Australian Charities and Not-for-profits Commission Act 2012*. The Association is a not-for-profit entity for financial reporting purposes under Australian Accounting Standards.

Australian Accounting Standards set out accounting policies that the AASB has concluded would result in financial statements containing relevant and reliable information about transactions, events and conditions. Material accounting policies adopted in the preparation of these financial statements are presented below and have been consistently applied unless stated otherwise.

The financial statements, except for the cash flow information, have been prepared on an accrual basis and are based on historical costs, modified, where applicable, by the measurement at fair value of selected non-current assets, financial assets and financial liabilities. The amounts presented in the financial statements have been rounded to the nearest dollar.

#### Accounting Policies

##### a. Revenue

##### *Revenue Recognition*

##### *Operating Grants, Donations, Sponsorships and Bequests*

When the Association receives operating grant revenue, donations, sponsorships or bequests, it assesses whether the contract is enforceable and has sufficiently specific performance obligations in accordance to AASB 15: *Revenue from Contracts with Customers*.

When both these conditions are satisfied, the Association:

- identifies each performance obligation relating to the grant;
- recognises a contract liability for its obligations under the agreement; and
- recognises revenue as it satisfies its performance obligations.

Where the contract is not enforceable or does not have sufficient specific performance obligations, the Association:

- recognises the asset received in accordance with the recognition requirements of other applicable accounting standards (for example AASB 9: *Financial instruments*, AASB 16: *Leases*, AASB 116: *Property, plant and equipment* and AASB 138: *Intangible assets*);
- recognises related amounts (being contributions by Members, lease liability, financial instruments, provisions, revenue or contract liability arising from a contract with a customer, sponsor or funder); and
- recognises revenue immediately in profit or loss as the difference between the initial carrying amount of the asset and the related amount.

If a contract liability is recognised as a related amount above, the Association recognises revenue in profit or loss when or as it satisfies its obligations under the contract.

The accompanying notes form part of these financial statements

*Contributed Assets*

The Association receives assets from the government and other parties at nil or nominal consideration in order to further its objectives. These assets are recognised in accordance with the recognition requirements of other applicable accounting standards (for example AASB 9: *Financial instruments*, AASB 16: *Leases*, AASB 116: *Property, plant and equipment* and AASB 138: *Intangible assets*).

On initial recognition of an asset, the Association recognises related amounts (being contributed by owners, lease liability, financial instruments, provisions, revenue or contract liability arising from a contract with a customer).

The Association recognises income immediately in profit or loss as the difference between initial carrying amounts of the asset and the related amount.

*Income from sale of goods*

The Association sells merchandising products, and food and beverages to Members. Revenue is recognised when control of the products has transferred to the customer. For such transactions, this is when the products are delivered to the customers.

All revenue is stated net of the amount of goods and services tax.

*Interest Income*

Interest income is recognised using the effective interest rate method.

**b. Inventories**

Inventories held for sale are measured at the lower of cost and net realisable value.

Inventories acquired at no cost, or for nominal consideration, are valued at the current replacement cost as at the date of acquisition.

**c. Property, Plant and Equipment**

Each class of property, plant and equipment is carried at cost or fair value as indicated, less, where applicable, accumulated depreciation and impairment losses.

The carrying amount of plant and equipment is reviewed annually by the Committee to ensure it is not in excess of the recoverable amount from these assets. The recoverable amount is assessed on the basis of the expected net cash flows that will be received from the assets' employment and subsequent disposal. The expected net cash flows have been discounted to their present values in determining recoverable amounts.

In the event where the carrying amount of plant and equipment is greater than the recoverable amount, the carrying amount is written down immediately to the estimated recoverable amount.

Plant and equipment that have been contributed at no cost or for nominal cost are valued and recognised at the fair value of the asset at the date it is acquired.

**Depreciation**

The depreciable amount of all fixed assets including buildings and capitalised lease assets, but excluding freehold land, is depreciated on a straight-line basis over the asset's useful life to the Association commencing from the time the asset is held ready for use. Leasehold improvements are depreciated over the estimated useful lives of the improvements.

The depreciation rates used for each class of depreciable assets are:

**Class of Fixed Asset    Depreciation Rate**

Buildings	2.5%
Fixture & Fittings	14%
Plant and Equipment	33%

The assets' residual values and useful lives are reviewed, and adjusted if appropriate, at each reporting period.

Gains and losses on disposals are determined by comparing proceeds with the carrying amount. These gains or losses are included in the statement of comprehensive income in the period which they arise. When revalued assets are sold, amounts included in the revaluation surplus relating to that asset are transferred to retained earnings.

**d. Financial Instruments**

*Initial Recognition and measurement*

Financial assets and financial liabilities are recognised when the Association becomes a party to the contractual provisions to the instrument. For financial assets, this is the date that the Association commits itself to either the purchase or sale of the asset (i.e. trade date accounting is adopted).

Financial instruments (except for trade receivables) are initially measured at fair value plus transaction costs, except where the instrument is classified "at fair value through profit or loss", in which case transaction costs are expensed to profit or loss immediately. Where available, quoted prices in an active market are used to determine fair value. In other circumstances, valuation techniques are adopted.

Trade receivables are initially measured at the transaction price if the trade receivables do not contain a significant financing component or if the practical expedient was applied as specified in AASB 15: *Revenue from Contracts with Customers*.

*Classification and subsequent measurement*

*Financial Liabilities*

Financial liabilities are subsequently measured at:

- amortised cost; or
- fair value through profit or loss.

A financial liability is measured at fair value through profit or loss if the financial liability is:

- a contingent consideration of an acquirer in a business combination to which AASB 3 :*Business Combinations* applies;
- held for trading; or
- initially designated as at fair value through profit or loss.

All other financial liabilities are subsequently measured at amortised cost using the effective interest method.

The effective interest method is a method of calculating the amortised cost of a debt instrument and of allocating interest expense in profit or loss over the relevant period.

The effective interest rate is the internal rate of return of the financial asset or liability. That is, it is the rate that exactly discounts the estimated future cash flows through the expected life of the instrument to the net carrying amount at initial recognition.

A financial liability is held for trading if it is:

- incurred for the purpose of repurchasing or repaying in the near term;
- part of a portfolio where there is an actual pattern of short-term profit taking; or
- a derivative financial instrument (except for a derivative that is in a financial guarantee contract or a derivative that is in an effective hedging relationship).

Any gains or losses arising on changes in fair value are recognised in profit or loss to the extent that they are not part of a designated hedging relationship.

The change in fair value of the financial liability attributable to changes in the issuer's credit risk is taken to other comprehensive income and is not subsequently reclassified to profit or loss. Instead, it is transferred to retained earnings upon derecognition of the financial liability.

If taking the change in credit risk in other comprehensive income enlarges or creates an accounting mismatch, then these gains or losses should be taken to profit or loss rather than other comprehensive income.

A financial liability cannot be reclassified.

The accompanying notes form part of these financial statements

*Financial assets*

Financial assets are subsequently measured at:

- amortised cost;
- fair value through other comprehensive income; or
- fair value through profit or loss.

Measurement is on the basis of two primary criteria:

- the contractual cash flow characteristics of the financial asset; and
- the business model for managing the financial assets.

A financial asset that meets the following conditions is subsequently measured at amortised cost:

- the financial asset is managed solely to collect contractual cash flows; and
- the contractual terms within the financial asset give rise to cash flows that are solely payments of principal and interest on the principal amount outstanding on specified dates.

A financial asset that meets the following conditions is subsequently measured at fair value through other comprehensive income:

- the contractual terms within the financial asset give rise to cash flows that are solely payments of principal and interest on the principal amount outstanding on specified dates; and
- the business model for managing the financial asset comprises both contractual cash flows collection and the selling of the financial asset.

By default, all other financial assets that do not meet the measurement conditions of amortised cost and fair value through other comprehensive income are subsequently measured at fair value through profit or loss.

The Association initially designates a financial instrument as measured at fair value through profit or loss if:

- it eliminates or significantly reduces a measurement or recognition inconsistency (often referred to as an "accounting mismatch") that would otherwise arise from measuring assets or liabilities or recognising the gains and losses on them on different bases;
- it is in accordance with the documented risk management or investment strategy and information about the grouping is documented appropriately, so the performance of the financial liability that is part of a group of financial liabilities or financial assets can be managed and evaluated consistently on a fair value basis; and
- it is a hybrid contract that contains an embedded derivative that significantly modifies the cash flows otherwise required by the contract.

The initial designation of the financial instruments to measure at fair value through profit or loss is a one-time option on initial classification and is irrevocable until the financial asset is derecognised.

### ***Derecognition***

Derecognition refers to the removal of a previously recognised financial asset or financial liability from the statement of financial position.

#### ***Derecognition of financial liabilities***

A liability is derecognised when it is extinguished (i.e. when the obligation in the contract is discharged, cancelled or expires). An exchange of an existing financial liability for a new one with substantially modified terms, or a substantial modification to the terms of a financial liability, is treated as an extinguishment of the existing liability and recognition of a new financial liability.

The difference between the carrying amount of the financial liability derecognised and the consideration paid and payable, including any non-cash assets transferred or liabilities assumed, is recognised in profit or loss.

#### ***Derecognition of financial assets***

A financial asset is derecognised when the holder's contractual rights to its cash flows expires, or the asset is transferred in such a way that all the risks and rewards of ownership are substantially transferred.

All the following criteria need to be satisfied for the derecognition of a financial asset:

- the right to receive cash flows from the asset has expired or been transferred;
- all risk and rewards of ownership of the asset have been substantially transferred; and
- the Association no longer controls the asset (i.e. it has no practical ability to make unilateral decisions to sell the asset to a third party).

On derecognition of a financial asset measured at amortised cost, the difference between the asset's carrying amount and the sum of the consideration received and receivable is recognised in profit or loss.

On derecognition of a debt instrument classified as fair value through other comprehensive income, the cumulative gain or loss previously accumulated in the investment revaluation reserve is reclassified to profit or loss.

On derecognition of an investment in equity which the Association elected to classify under fair value through other comprehensive income, the cumulative gain or loss previously accumulated in the investments revaluation reserve is not reclassified to profit or loss, but is transferred to retained earnings.

### ***Impairment***

The Association recognises a loss allowance for expected credit losses on:

- financial assets that are measured at amortised cost or fair value through other comprehensive income;
- lease receivables;
- contract assets (e.g. amount due from customers under construction contracts);
- loan commitments that are not measured at fair value through profit or loss; and
- financial guarantee contracts that are not measured at fair value through profit or loss.

Loss allowance is not recognised for:

- financial assets measured at fair value through profit or loss; or
- equity instruments measured at fair value through other comprehensive income.

Expected credit losses are the probability-weighted estimate of credit losses over the expected life of a financial instrument. A credit loss is the difference between all contractual cash flows that are due and all cash flows expected to be received, all discounted at the original effective interest rate of the financial instrument.

The Association uses the following approaches to impairment, as applicable under AASB 9 :*Financial Instruments* :

- the simplified approach;

*Simplified approach*

The simplified approach does not require tracking of changes in credit risk at every reporting period, but instead requires the recognition of lifetime expected credit loss at all times.

This approach is applicable to:

- trade receivables or contract assets that result from transactions that are within the scope of AASB 15: *Revenue from Contracts with Customers*, and which do not contain a significant financing component; and
- lease receivables.

In measuring the expected credit loss, a provision matrix for trade receivables is used taking into consideration various data to get to an expected credit loss (i.e. diversity of its customer base, appropriate groupings of its historical loss experience, etc).

For the year ended 30 June 2022 the Committee estimate the loss rate to be zero, therefore no expected credit loss allowance was recognised.

**e. Impairment of Assets**

At the end of each reporting period, the Association reviews the carrying values of its tangible and intangible assets to determine whether there is any indication that those assets have been impaired. If such an indication exists, the recoverable amount of the asset, being the higher of the asset's fair value less costs to sell and value in use, is compared to the asset's carrying value. Any excess of the asset's carrying value over its recoverable amount is expensed to the statement of comprehensive income.

Where the assets are not held primarily for their ability to generate cash inflows – that is, they are specialised assets held for continuing use of their service capacity – the recoverable amounts are expected to be materially the same as fair value.

Where it is not possible to estimate the recoverable amount of an assets class, the Association estimates the recoverable amount of the cash-generating unit to which the class of assets belong.

Where an impairment loss on a revalued individual asset is identified, this is recognised against the revaluation surplus in respect of the same class of asset to the extent that the impairment loss does not exceed the amount in the revaluation surplus for that same class of asset.

**f. Cash and Cash Equivalents**

Cash and cash equivalents include cash on hand, deposits held at call with banks, other short-term highly liquid investments with original maturities of three months or less, and bank overdrafts.

**g. Goods and Services Tax (GST)**

Revenues, expenses and assets are recognised net of the amount of GST, except where the amount of GST incurred is not recoverable from the Australian Taxation Office. In these circumstances the GST is recognised as part of the cost of acquisition of the asset or as part of an item of expense. Receivables and payables in the statement of financial position are shown inclusive of GST.

Cash flows are presented in the cashflow statement on a gross basis, except for the GST component of investing and financing activities, which are disclosed as operating cash flows.

**h. Income Tax**

No provision for income tax has been raised as the Association a Public Benevolent Institution and is exempt from income tax under Division 50 of the *Income Tax Assessment Act 1997*.

**i. Employee Benefits**

**Short-term employee benefits**

Provision is made for the Association's liability for employee benefits. Short-term employee benefits are benefits (other than termination benefits) that are expected to be settled wholly within 12 months after the end of the annual reporting period in which the employees render the related service, including wages, salaries, annual leave and sick leave. Short-term employee benefits are measured at the (undiscounted) amounts expected to be paid when the obligation is settled.

The Association's obligations for short-term employee benefits such as wages and salaries are recognised as part of trade and other payables in the statement of financial position. Contributions are made by the Association to an employee's superannuation fund and are charged as expenditure when incurred.

**j. Trade and Other Receivables**

Trade and other receivables include amounts due from sponsors, outstanding grant receipts and other miscellaneous debtors. Receivables expected to be collected within 12 months of the end of the reporting period are classified as current assets. All other receivables are classified as non-current assets.

Trade receivables are initially recognised at fair value and subsequently measured at amortised cost using the effective interest method, less any provision for impairment. Refer to Note 1 (d) for further discussion on the determination of impairment losses.

**k. Trade and Other Payables**

Trade and other payables represent the liabilities for goods and services received by the Association that remain unpaid at the end of the reporting period. The balance is recognised as a current liability with the amount normally paid within 30 days of the recognition of the liability. Trade and other payables are initially measured at fair value and subsequently measured at amortised cost using the effective interest method.

**l. Provisions**

Provisions are recognised when the Association has a legal or constructive obligation, as a result of past events, for which it is probable that an outflow of economic benefits will result and that outflow can be reliably measured. Provisions recognised represent the best estimate of the amounts required to settle the obligation at reporting date.

**m. Comparative Figures**

Where required by Accounting Standards comparative figures have been adjusted to conform with changes in presentation for the current financial year.

**n. Critical Accounting Estimates and Judgments**

The Committee evaluate estimates and judgments incorporated into the financial report based on historical knowledge and best available current information. Estimates assume a reasonable expectation of future events and are based on current trends and economic data, obtained both externally and within the Association.

**Key Estimates**

*(i) Impairment*

The Association assesses impairment at each reporting date by evaluation of conditions and events specific to the Association that may be indicative of impairment triggers. Recoverable amounts of relevant assets are reassessed using value-in-use calculations which incorporate various key assumptions.

*(ii) Useful lives of property, plant and equipment*

*As described in Note 1(c), the Association reviews the estimated useful lives of property, plant and equipment at the end of each annual reporting period.*

The accompanying notes form part of these financial statements

**Key Judgements**

*(i) Property Lease*

The Association only has a lease of clubhouse land which is considered a peppercorn lease (lease significantly below-market terms and conditions principally to enable the Association to further its objectives) and the Association has not elected to measure this lease at fair value, the lease cost is considered a low-value lease and as such the Association has elected not to apply AASB 16: *Leases* to this lease.

*(ii) Performance obligations under AASB 15: Revenue from Contracts with Customers*

To identify a performance obligation under AASB 15, the promise must be sufficiently specific to be able to determine when the obligation is satisfied. The Committee exercises judgement to determine whether the promise is sufficiently specific by taking into account any conditions specified in the arrangement, explicit or implicit, regarding the promised goods or services. In making this assessment, Committee includes the nature/type, cost/value, quantity, and the period of transfer related to the goods or services promised.

*(iii) Employee benefits*

For the purpose of measurement, AASB 119: *Employee Benefits* defines obligations for short-term employee benefits as obligations expected to be settled wholly within 12 months after the end of the annual reporting period in which the employees render the related service. The Committee believe that obligations for part of annual leave entitlements satisfy the definition of short-term employee benefits and are measured at the (undiscounted) amounts expected to be paid when the obligation is settled.

**o. New and Amended Accounting Policies Adopted by the Association**

The Association has adopted all of the new and revised Australian Accounting Standards and Interpretations applicable to its operations which became mandatory.

The adoption of these Standards has not had a significant impact on the financial statements of the Association.

**p. New Accounting Standards for Application in Future Periods**

The Association has not yet assessed or adopted the new simplified disclosure standard AASB 1060: *General Purpose Financial Statements- Simplified Disclosures for For-Profit and Not-for-Profit Tier 2 Entities* which replaces the existing Reduced Disclosure Reporting framework. This new standard will become mandatory for the financial years starting 1 July 2022.

Additions at Cost	-	55,597	55,597
Disposal of Asset	-	(5,844)	(5,844)
Depreciation Expense	(250,760)	(59,626)	(310,386)
<b>Carrying Amount at End of Year</b>	<b>8,921,706</b>	<b>141,214</b>	<b>9,062,920</b>
<b>2022</b>			
Balance at the Beginning of the Year	8,921,706	141,214	9,062,920
Building Redevelopment	239,414	-	239,414
Additions at Cost	-	187,243	187,243
Depreciation Expense	(250,666)	(67,673)	(318,339)
<b>Carrying Amount at End of Year</b>	<b>8,910,454</b>	<b>260,784</b>	<b>9,171,238</b>

Buildings are situated on crown land which is leased to the Association at minimal cost. The current lease term has expired 31 December 2019 and remains in an overholding period whilst a new lease is developed. The Committee has determined there is no indication that this lease will not be renewed and expect it to continue in a similar form for the foreseeable future.

**NOTE 7: TRADE AND OTHER RECEIVABLES**

	<b>Note</b>	<b>2022</b>	<b>2021</b>
		<b>\$</b>	<b>\$</b>
Trade Receivables		46,161	139,867

		<b>281,892</b>	<b>132,208</b>

**NOTE 9: PROVISIONS**

	<b>Note</b>	<b>2022</b>	<b>2021</b>
		<b>\$</b>	<b>\$</b>
Provision for Annual Leave Entitlements		2,133	5,192
		<b>2,133</b>	<b>5,192</b>
<i>Movement of Employee Provisions:</i>			<b>\$</b>
Balance at the Beginning of the Year			5,192
Provisions Raised			9,172
Provisions Used			(12,231)
Balance at End of Year			<b>2,133</b>

The provision for employee benefits represents amounts accrued for annual leave.

Based on past experience, the Association expects the full amount of the annual leave balance to be settled within the next 12 months. Further, these amounts must be classified as current liabilities since the Association does not have an unconditional right to defer the settlement of these amounts in the event employees wish to use their leave entitlements.

**NOTE 10: RECONCILIATION OF CASH FLOW FROM OPERATING ACTIVITIES WITH NET SURPLUS**

	2022	2021
	\$	\$
Surplus for the Year	444,551	962,688
Non-cash Flows:		
Depreciation	318,339	310,386
Gain on Sale of Assets	-	(3,128)
Changes in Operating Assets and Liabilities:		
Decrease/(Increase) in Trade and Other Receivables	79,955	(92,470)
Decrease/(Increase) in Prepayments	24,765	(25,620)
Increase in Trade and Other Payables	149,684	23,591
(Decrease)/Increase in Provisions	(3,059)	5,192
Increase in Inventories	(15,415)	(42,818)
	<b>998,820</b>	<b>1,137,821</b>

**NOTE 11: FINANCIAL RISK MANAGEMENT*****Financial Risk Management Policies***

The Association's financial instruments consist mainly of deposits with banks, local money market instruments, short-term investments, trade receivables and payables, and leases.

The totals for each category of financial instruments, measured in accordance with AASB 9 as detailed in the accounting policies to these financial statements, are as follows:

	Note	2022	2021
		\$	\$
<b><i>Financial assets</i></b>			
Financial Assets at Amortised Cost			
- Cash and Cash Equivalents	4	2,454,263	1,882,100
- Trade and Other Receivables	7	60,767	165,487
<b>Total Financial Assets</b>		<b>2,515,030</b>	<b>2,047,587</b>
<b><i>Financial liabilities</i></b>			
Financial Liabilities at Amortised Cost:			
- Trade and Other Payables	8	281,891	137,400
<b>Total Financial Liabilities</b>		<b>281,891</b>	<b>137,400</b>

**NOTE 12: SIGNIFICANT EVENTS AFTER THE BALANCE DATE**

There are no events after the statement of financial position date that would affect the financial report

**NOTE 13: RESERVES*****Building Reserve Fund***

The Building Reserve Fund are donations or grants by government and council departments given to the Portsea Surf Life Saving Club Inc. Funds were donated or granted for the purpose of clubhouse redevelopment.

#### NOTE 14: RELATED PARTY TRANSACTIONS

Transactions between related parties are on normal commercial terms and conditions no more favourable than those available to other parties unless otherwise stated

**(a) Key Management Personnel**

Any person/s having authority and responsibility for planning, directing, and controlling the activities of the Association, directly or indirectly, including its Committee Members, is considered key management personnel.

For the 2022 & 2021 year, the totals of remunerations (including Superannuation) paid to Key Management Personnel of the Association is as follows:

	2022	2021
	\$	\$
Total Remuneration Paid	<u>90,675</u>	<u>103,370</u>

No Committee Member is entitled to any compensation in performing their duties as a Committee Member.

**(b) Other Related Parties**

Other related parties include close family members of Key Management Personnel and entities that are controlled or jointly controlled by those Key Management Personnel individually or collectively with their close family members.

For the 2022 and the 2021 financial year there were family members of various Key Management Personnel (amongst others) working in the food & beverage and/or administration area at the club on a casual basis throughout summer at commercial market rates, in addition to services and/or product provided to the value of under \$2,500 to a family member of a member of Key Management Personnel.

#### NOTE 15: CONTINGENT LIABILITIES & ASSETS

There are no contingent liabilities or assets at 30 April 2022.

#### NOTE 16: COMMITMENT

The club redevelopment has been completed and there is no further commitment as at 30 April 2022.

#### NOTE 17: EVENTS AFTER THE REPORTING PERIOD

The Committee is not aware of any significant events since the end of the reporting period.

#### NOTE 18: SEGMENT REPORTING

The Association operates in one business & geographical segment being the provision of lifesaving services at Portsea Back Beach Mount Levy, Victoria.

**NOTE 19: OTHER MATTER - COVID-19**

The COVID-19 outbreak was declared a pandemic by the World Health Organisation in March 2020 and is still ongoing at the date of this report. Thus far, the Association has not observed any material financial impact due to COVID-19. However due to the continuing nature of the pandemic and response of Government in implementing various business and social restrictions, the future impacts from this operating environment are uncertain and may adversely impact the club in future periods.

**NOTE 20: ASSOCIATION DETAILS**

The registered office of the Association is:

Portsea Surf Life Saving Club Inc  
C/of Chambers & Partners  
Level 4, 437 St Kilda Road  
Melbourne Victoria 3004

The principal place of business is:

Portsea Surf Life Saving Club Inc  
Mt Levy Beach  
Back Beach Road  
Portsea, Victoria, 3944

Portsea Surf Life Saving Club Inc

ABN 69 006114 727

COMMITTEE MEMBERS' DECLARATION

The financial report is for Portsea Surf Life Saving Club Inc as an individual entity. Portsea Surf Life Saving Club Inc is an Association incorporated in Victoria and operating pursuant to the *Associations Incorporation Reform Act 2012* and the *Australian Charities and Not-for-profits Commission Act 2012*.

In accordance with a resolution of the Committee, the Members of the Committee declare that in their opinion:

- (a) there are reasonable grounds to believe that the Association is able to pay all of its debts, as and when they become due and payable; and
- (b) the financial statements and notes present a true and fair view of the financial position of the Association as at 30 April 2022 and its performance for the year ended on that date in accordance with Australian Accounting Standards – Reduced Disclosure Requirements of the Accounting Standards Board and the requirements of *Australian Charities and Not-for-profits Commission Act 2012*.

This declaration is signed in accordance with subs 60.15(2) of the *Australian Charities and Not-for-profits Commission Regulation 2013*.

This statement is signed for and on behalf of the Committee by:

President

Matthew Mahon - President

Secretary

Tony Martin - Treasurer

Dated this 15<sup>th</sup> day of August 2022

The accompanying notes form part of these financial statements

**5,478 LIVES SAVED SINCE 1949**
