

PORTSEA S.L.S.C.

75TH ANNUAL REPORT 2023/2024

PORTSEA SURF LIFE SAVING CLUB LIMITED

It is with pleasure that we present

The 75th Annual Report and Financial Statement

For Season 2023 - 2024

To Be Presented At The

Annual General Meeting

On Tuesday 10th September 2024

Commencing at 7:00pm

At Toorak Bowling Club

Vigilance and Service

A.B.N. 69 006 114 727

Our Club continued to have another very successful year in the 2023 - 2024 season.

Yet again there were no lives lost and many rescues prevented and/or completed by our volunteer lifesavers, in our 75th season.

Our Club continues to grow in every direction with far-reaching community involvement. We are a great Surf Club and I am very proud to be your Patron.

The Reports from our Club President, Matt Mahon, and Club Captain, Jacqui Hart, capture the dedication, hard work, and wonderful success that the Club's activities and programs achieved in season 2023 - 2024.

Our Club is fortunate to have Matt and Jacqui, along with our general committee and all the other leadership committees and groups throughout the Club, who give so much of their time and effort to our Club.

The ethos of our Club volunteers is, by any measure, remarkable.

The community is very fortunate and blessed to know that they are safe when they visit the Portsea Back Beach and swim between the flags!

I'm in admiration of all active members of our Club.

On behalf of all who visit our beach and Clubhouse, a resounding thank you.

Rob Fildes AM

OFFICERS FOR SEASON 2023 - 2024

PRESIDENT'S FOREWORD

It is with great pleasure that I report on the 75th season of operation for the Portsea Surf Life Saving Club. It has again been a privilege to lead a wonderful group of members and staff who allow us to do all that we do, and I am incredibly proud of what has been achieved.

This season we celebrated our 75th anniversary, which provided a great opportunity to reflect on where we have come from, where we are today and importantly, where we are going. We are a very different club to that founded by Mil Napthine and friends in 1949, and many, many people have contributed to that journey.

Today we are the largest surf lifesaving club in Australia, with just under 6,000 members (2019: 2,000 members). We have now had five seasons in our new clubhouse, which has been a game changer for the club.

In season 2023/24 almost 500 Portsea volunteers patrolled our beaches for more than 10,000 hours.

One of the highlights of the season was the establishment of a patrol at Quarantine Station (Point Nepean), operating on weekends from Boxing Day until Australia Day. This new patrol area was seen as a success, and we are planning to patrol there again in 2024/25. A special thanks to Henry Kiss for his work in establishing this patrol, and to all who supported it.

In total, there were 17 rescues, 2 major first aids (requiring ambulances) and 2,968 preventative actions. In 75 years, no lives have been lost on a patrolled beach at Portsea.

Our education programs also had a great impact. We educated almost 1,000 members from Nippers (665 Nippers) through to five of our members who attained the Gold Medallion. We also had almost 20 members take part in formal leadership development programs offered by Life Saving Victoria or Surf Life Saving Australia.

We have also expanded our community education program, which has seen significant investment from the Club in recent years, supported by our education partner United Energy. Again the Frankston High School partnership continued, with 59 students gaining their Bronze or SRC via our program. We also ran programs in five schools from Sorrento, Balnarring, Dromana and Hastings, delivering water safety education and skills to over 600 students, many being their first time to the beach.

A new program was the addition of a Snippers program (Senior Nippers) providing basic lifesaving skills to grandparent aged members.

Our competition team also had a great year across juniors, Open/Youth, Masters and IRB racing. Our Masters team finished third on the points score at the Victorian State Titles, possibly our best ever, and also performed well at the Australian Titles. Well done to Sue Crow bringing home a Gold (surf race) and Bronze (2k swim), and to Rob Mellor, who claimed a Bronze in the Masters Surf Board Riding, our first medal in that event. Our Open/Youth team also performed well, headlined by Mackie Hunter who won Gold in the U19 2k swim. Mackie is the first Victorian to win a swim race at Aussies since 1996.

Our use of our clubhouse is also expanding and now year-round. We offer a member service (food and beverage) every week of the year and are offering the venue for private functions when not in use for lifesaving purposes. It is proving very popular for a wide range of functions from weddings to funerals, to corporate days and a wide range of functions, which provides important revenue to fund our operation.

Our major events, the Portsea Swim Classic, the Bay to Surf walk/run, the Pier to Perignon Swim and the Portsea All Stars Golf Day continue to grow and are important fundraising opportunities for the club. Thanks to all who contributed to their success. Tragically, one of our regular swimmers Simon Weatherill died during the Portsea Swim Classic. We remember him fondly and extend our condolences to his family and friends.

Away from the beach the Club is in good shape and is debt free. We have a united Committee who work hard year-round for the betterment of the Club. I thank them all for their contribution. I'd particularly like to single out Club Captain Jacqui Hart, who leaves us as she pursues the next stage of her career overseas. We wish her well.

I'd also like to thank Rob Fildes for his ongoing support as Patron, and all members who have served on one of the many subcommittees of the Club. Finally, I'd like to thank our staff who work so hard to support the Club, under the leadership of our General Manager Rod Leonard.

Thanks all for your ongoing support,
see you on the beach,

MATT MAHON
President

Portsea Bronze Camp December 2023 Board Skills.

CLUB CAPTAIN'S REPORT

This year marked our 75th season, it has truly been a remarkable one! As a team, we achieved some incredible milestones both on and off the beach.

We have had a highly successful season in regard to life saving as

we continue to have 'no lives lost' between our flags since 1949. This is all thanks to our active members who volunteered a massive 6,900 patrol hours and 2,200 of water safety hours.

Before I run through the amazing achievements of this season I would like to say a massive thank you to all of the members of the Operational Committee for their hard work and the countless hours of volunteering. The 2023/24 Operational Committee members included Sas McNamara (Life Saving Director), Jack White (Education Director), Andrew May (Co-Equipment Director), Blair Nuske (Co-Equipment Director), Finn Nicholas (Co-Equipment Director), Oscar Hunter (Events Director), Sophie Courtney (Co-Member Engagement Director), Steph Mahon (Co-Member Engagement Director), Nik Rathmayr (Accommodation Director) and Flynn Chable (First Aid Director).

This season saw 17 major rescues and nearly 3,000 preventative actions across both Portsea Back Beach and the Quarantine Station as we launched our new bayside patrol. These numbers are indicative of the incredible response we saw from our members in the face of a huge surge of fatal and non-fatal drownings across Victorian beaches in recent years. The hours volunteered by our active members and the leadership of our Patrol Captains and Vice Captains have been instrumental in ensuring the safety of Portsea beachgoers.

Our education team also went above and beyond this season. The demand for our education programs in recent years has been unprecedented and our education team has worked tirelessly to provide essential surf awareness and skills training. We reached a record number of participants this summer, including 665 Nippers, 8 Starfish Nippers, and hundreds more through our Platinum, Silver, Bronze, Cadet, SRC, and advanced training programs. Thank you to all our Program Directors, subcommittee members, camp chiefs, trainers, and assessors for making this possible.

We also reached a record number of participants across all our fundraising events. Thank you to every member who volunteered their time at the Swim Classic, Bay to Surf and Pier to Perignon. These events generate vital funds for our lifesaving operations, with over 4,000 competitors across the events. These events would not be possible without the support of our volunteers, and it is always great to see a combination of active and associate members supporting the club!

As usual, in the competition arena, our competitors have been hard at work, representing the Club at state and national events. I'd like to congratulate all our summer competition team members and IRB team members on their accomplishments this season.

Away from the water, our social calendar was jam-packed, offering our full suite of club social events including president's clubs, Nipper Cocktail Party, and various social events on the deck. A key event of this season was our 75th Anniversary celebration which was a fantastic night celebrating 75 proud years of life-saving at Portsea. We had 350 members who gathered to celebrate our past, present and future.

A special thanks to Julian Byrne, Tim Hart, Sue Traynor, Cam Hunter, Charlotte Mahon and Nick Flockart for sharing memories of what Portsea SLSC means to them. Congratulations to the events team, who do a lot of work behind the scenes to make these events possible.

With the season coming to a close, I will be stepping down from the Club Captain role as I head to London for the next few years to pursue my career. I am deeply appreciative of the opportunities I have been afforded as Club Captain, Education Director, a Committee Member and an Active Member to collaborate with and learn from members of our vibrant and knowledgeable community. The guidance and opportunities I've received have been invaluable and I am excited for others to share the incredible experience I have had!

This year the recipient of the Club Captain Award was Sas McNamara who has been an amazing support to me over the past few seasons and has made a huge contribution to the club as Life Saving director. I am also happy to leave you in her capable hands as the new Club Captain elect and I am very excited to see Sas make her mark in this new role.

A final thanks to all the wonderful mentors and supporters I've had in this club over the years in various roles. We are so fortunate to have such an amazing group of members and I truly love being a leader and member of the Portsea Surf Life Saving Club. Can't wait to see you all on the beach or deck for an Aperol soon!

JACQUI HART Club Captain

Charlotte Mahon, Bella Murchie, Mackie Hunter, Annabelle Mahon, Victorian Championships.

GENERAL MANAGER'S REPORT

With my first full season under my belt through the summer of 2022/23 I was excited to get into the season of 2023/24 with prior knowledge, learnings and experiences. The aim was to deliver a higher quality of member services at the Portsea SLSC.

Coming out of Easter 2023, was like I had been swept up in a tornado and

spat out the other side after commencing in September 2022. a whirlwind six months. It was a baptism of fire and similar to drinking out of a fire hydrant! However, we got through that first season and were ready to assess, analyse and make changes coming into summer 2023/24.

We spent the winter looking at what worked, what didn't work, how we operate, what we offer our members and what more we could offer. A lot of this feedback came from a member survey, which was conducted in April 2023. This provided some fantastic comments, suggestions and data for us to analyse to work towards providing our members the services they were requesting.

A key area of feedback was the request from our members to have the club operating longer hours through the non, peak period. This would allow members to stay engaged with the club and with other members.

Through this feedback the Portsea SLSC, for the first time, provided a member off-season experience. Between Easter and November 2023, the club offered the following.

- Traded every Friday night through the year,
- Ran the Portsea SLSC Winter Festival.
- Trivia Night, Christmas in July, Rock night.
- Multiple member private functions, 50ths, engagement parties, weddings.
- School camps.

All these events were well attended and well received and have set the platform for similar offerings in the coming years.

Our off season also saw us refine the way that we provide services to our member base. We looked at bettering the food and beverage services at the club by changing our menu selections and our service options, providing more food choices through our high volume days including mobile food van and Nipper Day BBQ's. We also appointed shift managers through our peak period to provide a more consistent member experience. All areas assisted in providing a more consistent service throughout the summer and shoulder periods.

Leading into our peak season again I was grateful to work with our Education Manager Henry Kiss plus our volunteer education personnel in Jack White, Jacqui Hart, Steph Mahon and their team of leaders. With their help we conducted both Silver and Bronze Camps at the club.

It was a great experience to witness in essence the main purpose of this club, Education and Life Saving and seeing these dedicated volunteers apply their skills and knowledge to well over 100 new lifesavers in the making.

The summer was again another very busy time at Portsea SLSC with Nippers, Swim Classic, Bay to Surf Run, Pier to Perignon, Nipper Parents Cocktail Party, President's Club events and many more.

Throughout the year we ran in excess of fifty events!! This cannot be done without the support of volunteers and staff.

The highlight of the summer was the 75th Anniversary cocktail party held at the club on the 25th of January. Well over 350 attendees celebrated 75 wonderful years of keeping the Portsea back beach safe. Words from Matt Mahon, Tim Hart, Julian Byrne, Cameron Hunter, Nick Flockhart and others really set the scene and provided the rich history of the club. Rocking the night away with tunes from our resident club DJ Griff Mitchell, it truly was a fantastic celebration of our wonderful club.

As we came through summer and finished up with a very busy shoulder period, I would like to take this opportunity to thank all the staff who work tirelessly in providing you, our members, a wonderful service and experience throughout the year.

I would like to thank in particular the efforts of Sally Meaden (Food and Beverage Manager) Amanda Dyer (Administration Manager) Patrick Leprevost, Elliot Nicol and Sam Pritchard (Duty Managers) for your leadership, support and efforts throughout the year.

As this season is coming to a close and we are in the throes of planning for the upcoming season, I have spent some time reflecting back on what has been another jam-packed schedule at the Portsea SLSC. There were many positives but also many areas of improvement, both with my own development as General Manager and also within our club processes. These will be a focus leading into season 2024/25.

My goal is to continually build and grow our team and provide them the support they need, to in turn, provide you our members with the best service possible, be it from a social, educational or voluntary capacity. We may not get it right all the time, but we will continue to keep working towards improving and growing.

I feel we have a strong base to work from and the feedback provided from our members will lay a foundation for our planning moving forward in 2024/25 and beyond.

Personally I would like to thank the following members of Portsea SLSC for the support and guidance they have shown me in my role, Matt Mahon (President) Brett Croft (Vice President) Tony Martin (Treasurer) Darren Thomas (Secretary) Jacqui Hart (Club Captain) James Nola (multiple committees). They have all gone above and beyond to provide me the guidance required to navigate my way through this ever challenging and developing role, Thank you.

From here I am looking forward to a great year ahead. Planning is already underway for some wonderful events for the upcoming season.

I look forward to what lies ahead and if you are down at the club, pop in, say hello and pass on any suggestions. I am always looking at ways to continue improving our service for all our members.

ROD LEONARD
General Manager

Portsea Swim Classic Jan 2024 Andrew Hare 61 and his father Bob Hare 85.

HISTORIAN'S REPORT

LSV Assistance

The effort in digitisation of VHS tapes held in the LSV archive continues with more interesting content being found. Some great footage from the Aussies held in the early 2000's will be available for display in

the clubhouse.

Video Highlights

Compilation of more historical footage into a second digital snippets file is underway.

Curated Collections

Copies of Annual Reports and selected Boomer magazines and a video display of historical photos from the 1960's through to the 1980's were displayed at the Life Members annual lunch held at the clubhouse on 21st January 2024.

IAN CAMPBELL

Portsea SLSC Historian

LIFE SAVING DIRECTOR'S REPORT

Once again Portsea SLSC patrollers had a very successful season between the flags. I would like to thank every single one of our patrollers for their commitment this season to ensuring that every beach goer has a safe and fun time at our favourite beach.

At the start of the season, the Patrol Captains, Vice Captains and Mentors came together for the very first patrol of the season. This has become a tradition for the past few seasons, and allows the leaders of our patrols to ensure they are up to scratch with their knowledge, dust off the patrolling cobwebs, and equal their awards to ensure proficiency. The Patrol Leaders are the backbone of our patrols and we are all extremely thankful for their commitment and passion to the service. I would like to extend a huge thank you to Charlie Flockart for his help as Deputy Lifesaving Director.

The season was an unusually short one, starting on the 25th November 2023 and finishing on the 14th April 2024. Nevertheless, Portsea patrollers still contributed a tremendous amount of effort. Our patrollers volunteered 6,900 hours of patrol and 2,200 hours of water safety and other service. Our patrollers took 2,842 preventative actions which avoided potential drownings or first aid to our beach goers and other members, attended eight minor first aids, one major first aid, and rescued seventeen people out of danger.

This season we added two new patrols to the mix, Endless Summer and Mavericks. Well done to the Patrol leaders of these two new patrols for taking on the daunting yet exciting task of setting up a brand new patrol! We also added a brand-new site and patrol to our service at Portsea. Led by none other than Henry Kiss, this new patrol was located at Quarantine Station. The Quarantine patrol set up on the beach adjacent to the Jarman Oval where we host our beloved Swim Classic event.

Patrolling is the key reason why Portsea SLSC exists and I couldn't be prouder of the calibre of patrollers coming through our education programs today. I look forward to another very successful season of patrols at Portsea for the 2024/2025 season!

SAS MCNAMARA

Lifesaving Director

Australian Champs 2024.

COMPETITION TEAM REPORT

The Portsea Competition Team once again provided an opportunity to showcase our club and our members, Competition, whether it be on the sand, in the pool, or in the ocean, in a boat, on a board, a ski, towing a

patient in a tube or rescuing one in an IRB, lends itself to the upskilling of members to be fit and rescue ready.

This year we had fantastic group of about 40 Junior Competition Team members, from U8, U13 develop their surf sports skills by joining our regular summer competition training events. The surf sports squad is open to all Nippers and information can be found on the Club website here: <https://portseasurf.com.au/junior-comp/>

Summer competition training included supervised open water Pier to Point swimming sessions at the Portsea pier, specialised board paddling training and regular beach and water event training at Quarantine. Our squad members were coached by Tom Regan, one of Portsea's foundation coaches and experienced surf sports competitors.

Tom did an amazing job passing on his skills and knowledge to our junior athletes. Thanks also to John Vains for his board paddling expertise and Logan Brandi for his open water swimming tips and Harvey Larke for his coaching support. A highlight for me as Junior Team Manager was seeing our newest squad members advancing their skills, making new comp team friends, creating bonds with older Nippers and becoming more confident in their abilities in the water.

We train to compete at junior surf lifesaving carnivals. The junior squad had a team of 25 Nippers attend the Mount Martha carnival (28 January) and the Point Leo carnival (4 February). This is where our Portsea Nippers can compete against junior competitors from Clubs around the State. A big congratulations to all the new squad members who competed for Portsea for the first time.

The season culminated with the Victorian Junior State Championships at Warrnambool SLSC over the March long weekend. The event brought together 700 of the best Nipper athletes from across Victoria. Our junior team represented the, Red & White, of Portsea with great endeavour, enthusiasm and pride.

The Portsea State Champs team included:

U9: Tommy Klein; U11 Boston Brandi, Sasha Robertson, Bobby Preston and Harper Steven; U12: Camilla Klein; U13: Edward Barnaby, Jimmy McNamara, Cooper Robertson and Lachlan Wills. Congratulations to all our athletes, particularly those who made finals.

Best performances in State finals:

Edward Barnaby: 4th place in U13 beach flags

Tommy Klein: 4th place in U9 beach sprint

Top 10 finishes in State finals:

Sasha Robertson, Boston Brandi, Tommy Klein and Ed Barnaby. U11 Boys (board relay team) and U13 Boys (surf teams). Our U13 team members graduated from junior competition this year. They have all developed into confident, skilled young athletes. They are our future patrolling members at Portsea and I know our beach will be safe in their hands.

The senior competition calendar started with the Endurance Championships at Torquay. This is an opportunity for our older Junior Competition Team members to come along and race with the older age groups, right through to Masters. Zara Barr and Sophie Hall were outstanding junior competitors, Logan Brandi, Sophie Jacka, Mia Horskins and Charlie Cornwell dominated the U17 races, with Sue Crow, Alice Miliani, Chloe Cornwell and Phil Harford following up with star performances in the Masters races.

Onto the summer carnivals we had our stalwart competitors, in particular Charlie and Gabe Cornwell who have made lifesaving their sport of choice. Supported by mum and dad, Chloe and James, who are the first to volunteer for official duties, the brothers dominated the season with a multitude of successes across the ski races in particular, in addition to irons, swims and board races.

We had Victorian State Team representation by Charlie, who ventured north to Sydney to race in the interstate races, plus Xavier Purcell and Harvey Larke who competed in the Wieland Shield team against the touring Californian lifeguards.

Victorian Championships saw a strong turnout of water competitors, in particular our swimmers, who won GOLD in the U17, U19 and Open Men's Surf Teams events, and two GOLD and a BRONZE in the corresponding women's events. Bellsy Mahon showed her strength with a GOLD in the U17 Tube Race, and once again we had Charlie and Gabe Cornwell racing circuits of the ocean course for multiple medals, pairing up for GOLD in the U19 Double Ski, and each of them taking GOLD in their respective Iron Races.

Rob Mellor, Bronze Medal, Masters Aussies 60-69 yo longboard surfing

Charlie Cornwell, Victorian White Team.

cont,

The Aussies Championships saw one of our larger team in recent years. Our U19 men showed their prowess in the water events with Harvey Larke and Xavier Purcell finalists in their U19 Surf Race, Harvey also making the Open Surf Race final. They then paired up with Charlie and Gabe Cornwell to place 5th in the U19 Surf Teams race. Charlie and Gabe paddled through multiple ski rounds to make their ski finals. Our Aussies women fielded teams across multiple events from U17 through to open, both in the ocean and down at the beach track, joining mixed relays with our U19 rowers-come-beachies. Mia Horskins shone with her first ever AUSSIES finals appearance in the U17 Surf Race. Bellsy and Cha Mahon, Domi Hart, Sophie Jacka and Ruby Wilson raced rounds of irons, taplins and surf teams races. Down at Alex Headlands, our open women's surf boat crew were light on race practice but ventured north to represent Portsea at yet another AUSSIES.

Mackenzie Hunter was a dominant force on the Victorian Open Water Swim circuit, winning the Portsea Swim Classic Junior 1.2km swim and the Open 2.5km swims, plus for the second year in a row, won the Lorne Pier to Pub Junior swim, then placed second to world champ and Olympian Lani Pallister in the Open Superfish. Mack left the Australian pool championships where she won the 17yo girls 800m freestyle event, to venture north to Mooloolaba for the SLSA AUSSIES. Her reward was a GOLD medal in the U19 2km Open Water Swim, making Mackie the only Victorian athlete to win an individual gold at the AUSSIES U17, Open Championships. She became the first Victorian female in their 40-year history of inclusion at Aussies to win an individual GOLD in a swimming event. Sophie Jacka earned club points with a 5th in the U17 2km swim, with Mia Horskins, Logan Brandi and Charlie Cornwell also going the distance around the open water course.

In addition to their surf race performances at the LSV Victorian Championships, Bella Murchie and Campbell Wilson-Moran had stellar results in the pool

lifesaving events. At the 2023 SLSA Pool Rescue Champs Bella competed with Mordialloc and as a reasonably novice competitor, she showed her prowess, completing her events without a DQ, winning medals in both relay and individual events, including a relay Australian record. Campbell Wilson-Moran also competed at the SLSA 2023 Pool Rescue Champs winning multiple medals in the relay events. In January 2024, competing for Portsea in the Victorian State Team at the RLSS Australian Pool Lifesaving Champs in Melbourne, Bella Murchie won six medals, including GOLD in the U16 100m manikin carry.

The enthusiasm of the Portsea Masters team has had an injection of 30 year old youth with the captaincy baton securely passed to Jim Unkles and Nick Tissot, who recruited new additions Bec Gould and Michael Benson to bolster our medals in the 30-34 age group. Our strong turnout at the Lorne Masters Champs, saw us place 3rd in the Ocean events and 4th in the Beach events. Next up was Aussies Masters, where the focus is definitely on staying fit, camaraderie and mateship with medals a rewarding bonus. Sue Crow was our standout performer with GOLD in the Surf Race and BRONZE in the 2km Ocean Swim. Rob Mellor, a late entry to the Masters Surfing Competition revelled in the beach break conditions at Coolum to win our first ever surfing medal, a BRONZE in his longboard division.

As we wrap up the 2023/24 season, we have Bella heading off to her second SLSA Pool Rescue Aussies, our swimmers grinding out the k's in the pool, our paddlers back in their kayaks, our Masters nursing injuries back to health and our juniors heading to Queensland for a September holiday training camp. Well done to all who participated to the spirit of our competition team and welcome to any new members who want to join in the fun of representing Portsea on the sporting arena.

NATALIE HOOD
Competition Team Administration Manager

Portsea IRB Team Hampton 2024.

Mixed U16 4x50m Medley Relay:	SILVER

EDUCATION DIRECTOR'S REPORT

2023/24 saw another massive season of education down at Portsea, across all areas of our training and assessment programs. From camps to requals, it was fantastic to see members of all ages embrace their training

with such enthusiasm during the summer whilst learning the vital skills required to patrol our challenging aquatic environment.

This season, the Education Team delivered over 437 new awards (some of the highest numbers in the State). Obviously, this could not have been achieved without our amazing Instructors - we cannot thank you enough for your support and greatly appreciate all your help!

Starting off the education year, Platinum Camp was another huge success and saw fourteen candidates obtain their Silver Medallion Aquatic Rescue (SMAR) award. Adding to the knowledge delivered on Silver Camp, it was great to see our young leaders broaden their skill sets for use on patrols/emergency incidents while engaging with lifesaving at an advanced level. In only its second year, Platinum is quickly cementing itself in Portsea's education pathway; we can't wait to see many more candidates complete the program in the years to come.

Following on in September, Silver Camp was another highlight on the education calendar, upskilling members who completed Bronze Camp the previous season. Expertly lead by Chief Instructors Griffin Mitchell and Sophie Courtney - and assisted by IRB Instructor Finn Nicholas - Silver was a massive hit for the 31 candidates who braved the 'fresh' Portsea conditions to gain their Inflatable Rescue Boat Crew (IRBC) and Advanced Resuscitation Techniques and First Aid (ART/FA) awards.

In October, our increasingly popular Part-Time Bronze program commenced, delivering the fundamentals of lifesaving to members (beyond the age of Bronze Camp) wanting to get involved with / make a return to active patrolling. With the program delivered by Henry Kiss, it was fantastic to see 25 new Bronzies enjoy their regular weeknight sessions and practical training during their journey to become qualified surf lifesavers.

Like usual, Bronze Camp did not disappoint in early December, with another keen cohort of 65 Bronzies tackling the demanding yet rewarding program. Steph Mahon and Manna Johnson did an incredible job facilitating the week-long, live-in camp that continues to create some of the best lifesavers in Victoria. Congratulations to everyone who completed Bronze this year, we look forward to seeing you in Red and Yellow for many seasons to come!

Consecutively, requalification sessions were delivered throughout November and December. Albeit slightly different compared to previous years, requals were well received as the Club continued navigating the changes presented by the post-pandemic environment. With instructors grouping requals based on awards, scheduling multiple requal sessions on the same days and delivering the majority of Bronze requals at Quarantine, we were able to achieve a more efficient and better standard of requals in 2023/24.

In late December, Cadet Camp was another resounding success whilst reinforcing the key lifesaving skills candidates acquired the previous year. Under the leadership of Charlie Dowling, Emie Young and Charlie Paynter, another 70 cadets successfully completed camp at the back beach in a new and updated program format. We look forward to seeing many cadets on Bronze camp this December!

At the start of the New Year, our SRC camps took place (the largest of our programs). With 112 SRC's being introduced to the essentials of surf lifesaving across two camps, it was amazing to see so many young members enjoy learning the basic rescue techniques and looking forward to joining patrols. A massive congratulations to Nick Flockart and Mackie Hunter (Camp 1) and Tom Scalzo & Charlotte Mahon (Camp 2) for their work as Chief Instructors and contributing to each camp's overwhelming success.

Once again, as training is the foundation of everything in lifesaving, I would like to thank everyone involved in education for their invaluable work in making all of our programs possible. From instructing, providing water safety and organising admin in the background, nothing goes unnoticed. However, I would especially like to thank Glennis Winnett (Education Support Officer), Claire Whitbread (Education Support Officer) and Stephanie Hunter (Deputy Education Director) for their major contributions this season, it simply would not have been possible without them!

Finally, thank you to everyone who has made 23/24 such an enjoyable season across all areas of the club. With many exciting developments on the horizon for the upcoming summer, I can't wait to see you all back at Portsea in 2024/2025. Catch you on the beach!

JACK WHITE

Education & Development Director

Australian Champs Womens Boat Crew.

JUNIOR DEVELOPMENT DIRECTOR'S REPORT

The 2023-24 United Energy Portsea Nipper Program (incorporating the Starfish Nippers Program) delivered many incredible memories and it is my privilege to provide our Club and members with this brief report.

This year we again opened our Nipper program to a record equalling 665 Nippers and we commemorated the achievement with a 'team,' photo. This was a herculean effort by all, and I would like to thank our Nippers, their parents, and coordinating team members for their involvement in making our inaugural annual photo possible.

For anyone who would like to download a copy of this photo, or any other photos captured during our Program, please head to the below links where you can see all the photos and download free of charge, courtesy of our platinum sponsor, United Energy. <https://www.smug-mug.com/gallery/n-swjtZR> <https://www.smugmug.com/gallery/n-3P6jvq>

Our Program, which has grown both in size and complexity over the years, is overseen by a group of dedicated committee members including Jodi Lancaster (Back Beach Manager and his son Harley), Danny Egan (Front Beach Manager and his son Jack), Jo Robertson, Chris Jacka, Cathy Mellor, Cass Sanghvi, Amber Fennell, Donald Moore, and Alana Wright. These sub-committee members have been supported by a plethora of Starfish Nipper Leaders including Alexandra Madden, our Nipper Co-Chiefs Georgia Ross, Hayley McKee, Tom Sagar and Xavier Winnett, our valued Age Managers, Parent Helpers, Set-Up/Pack-Down Teams, Medical Teams, Administration Officers, Communications Team, Merchandise Team, Photographers (www.yannicreative.com.au), Event Coordinators (Michelle and Alicia), Cocktail Helpers, Disco Helpers, BBQ Helpers, Rod and the entire PSLSC Team, and our critically important, Water Safety personnel. It takes a village to raise a child, it takes hundreds of committed volunteers to raise a Portsea Nipper!

In addition, there are three members of our committee who I would like to acknowledge for their significant commitment and contributions over many years. Our retiring Age Manager Mentor, Glennis Winnett (GG), Kristen Sagar (Nipper Admin Manager) and Anita Zanchetta (Nipper Admin Manager).

GG, you have been an inspirational leader supporting our Nipper Program and on behalf of the entire PSLSC community I would like to extend our heartfelt thanks for your dedication over many years. Jacka, you have some big shoes to fill!

Kristen and Anita, you are the dynamic duo! The work that you two deliver throughout the year, behind the scenes, and after hours is incredible. Without your support over many years the Nipper Program simply wouldn't have run. Congratulations on being awarded the Junior Development Directors Award, it was richly deserved!

Lastly, on behalf of the Nipper Committee and our entire Club, we would like to extend our thanks to Bridget Smith, our retiring Nipper Admin Officer. Bridge, you have been an invaluable supporter of our Committee, our participants and Program for many years. Thank you for making our Program run so smoothly and your integral part in all aspects of moving parts behind the scenes. Thank you.

This year we experimented with a number of new initiatives and the Nipper Committee would like to extend our sincere thanks to all Nipper parents for embracing these changes. With your support we were able to deliver and validate the success of these initiatives, all aimed at developing the skills of your children. We would also like to thank you for participating in our post Nipper Program survey which has been reviewed. Based on your feedback, will enhance the Program for the coming year.

We would also like to extend our thanks to LSV and Sas McNamara for organising a memorable fly-by in the Westpac Helicopter, Parks Victoria for allowing our Nippers families to utilise Jarman Oval throughout the course of our Program, the Mornington Peninsula Shire Council who continue to be very supportive and accommodating, and the Hooded Plover team for continuing to educate our Nippers about the wildlife hidden in our special dunes.

Portsea Starfish Nipper Program

Portsea Surf Life Saving Club ran its successful Starfish Nipper program for the third year over the 2023/24 season. The Starfish Nipper program is a modified Nipper program for children and young adults with a disability including autism, attention deficit disorder, Down's syndrome, Asperger's Syndrome, physical and intellectual disabilities, learning difficulties and psychological issues such as anxiety. As with the mainstream Nipper program the goals are to increase beach safety awareness, improve water safety skills, increase physical fitness and co-ordination, and provide positive social interactions.

The Starfish program is run on the same dates and times as our larger Nippers program and many families have children in both programs. A number of parents said that their children loved being able to wear the Nipper gear and go off to Nippers for the morning, just like their siblings and friends. The Starfish sessions are held on the beach and in the water at Point Nepean front beach and for two sessions we were lucky enough to be visited by dolphins!

This year's Starfish program grew to include eight participants ranging from 6 to 14 years of age. It was very pleasing to see some new faces as well as those returning after enjoying the previous year's program. It is wonderful to see not only the joy on the faces of our Starfish Nippers but also on those of their parents, siblings and grandparents who can come along to support and watch.

cont,

The program was led by Alex Madden and Molly Tozer, along with many enthusiastic helpers, including those with specialised skills and experiences working with people with a disability. As a result of the amazing support provided by these members of the Club, we are able to offer a 2:1 ratio of helpers to Starfish.

We believe everyone deserves access to Nippers and are keen to continue to grow the number of participants this coming summer. Please watch out for news about the upcoming 2024/25 program and mention it to others around the Club, at your school and the local area. If you have any questions regarding the Starfish program, please contact: alexandra.madden@portseasurf.com.au. It is a privilege to be involved in such a special program.

Our Nipper Program was again supported by many generous sponsors. Led by our Platinum Partner United Energy, EY, Linfox, TGI Fridays, Buxton Mornington Peninsula, My Plan Manager, Top Gear Prestige, LAWD and many more. We encourage all members to engage with our valued partners who generously support our Club and Nipper Program. If you are interested in sponsorship opportunities, please reach out to Louise Paynter. Lou can be reached via email on louise.paynter@portseasurf.com.au

This was my first season as Junior Development Director and I wanted to say a special thanks to Matt Mahon and Brett Croft. Brett was a terrific mentor who offered sage advice when required. For this I am very appreciative. To Matt, thank you for supporting our New Nipper Family Welcome Drinks, our Front and Back Beach BBQs, our End of Nipper Celebration for Under 13s and our inaugural Nipper Team Photo. You made yourself available at each of these events and personally invested significant time to make sure that each of these initiatives was a resounding success. For this I am very grateful. I am looking forward to seeing many familiar faces over the December/January period and wish all our Nipper families a prosperous remainder to the 2024 year. All the best and see you soon.

JULIAN SALLABANK Junior Development Director

Portsea Bronze Camp December. The Instructors.

Portsea Silver Camp Sept 2023 Portsea Shore Break.

MEMBER ENGAGEMENT REPORT

2023/24 has been a great season for Membership and Leadership Development (MLD). The MLD role provides and facilitates member engagement and development opportunities for the members at Portsea SLSC throughout the year. This season Steph Mahon and I accepted the role of MLD director from Holly Hart, who during her two seasons as MLD director did an incredible job at establishing MLD programs at Portsea and promoting initiatives that are running at a state level.

We have been lucky enough to have been involved with Portsea SLSC most of our lives. Sophie has been a part of Portsea SLSC since the 2018 season when Nat Hood invited her to stay at their place for Cadet Camp. Sophie had been a Nipper member at the Anglesea SLSC and transferred to join the Portsea Youth Competition Team. She has loved Portsea ever since and has just finished her third season as a Lifeguard and first season as Patrol Captain. Meanwhile Steph has been a part of Portsea SLSC for her whole life and has engaged with several competition teams and held leadership positions. Surf Life Saving has allowed us both to pursue many leadership opportunities we wouldn't have otherwise been presented with. We have been lucky enough to attend multiple LSV camps and several Portsea camps, and as MLD officers, we love providing young and old Portsea members with personal growth opportunities.

Portsea had an impactful involvement within LSV's camps. Portsea was lucky to have several members attend Advanced Lifesaving Camps, who are now learning to become incredible Lifeguards. Emie Young and Max Richie were also able to attend LSV U18 Leadership Development Camp, where they learnt communication skills and got a chance to meet other lifesavers from around Victoria. Both Emie and Max thoroughly enjoyed the camp and highly recommended it to everyone thinking of applying for an LSV development camp next year.

The keen young members of Portsea have recently created the Portsea Junior Advisory Committee (JAC). The seven members regularly met during peak season to discuss issues that were important to their age group. The committee has been able to get their thoughts and ideas to the Operational Committee. We have seen significant benefits in giving younger members a strong platform to be represented, while developing their leadership skills within lifesaving and the community. We look forward to seeing how this committee progresses and grows. Emie Young was also able to take up a position as Portsea Representative for Lifesaving Victoria's LSVj initiative, where she can attend LSV forums and discuss issues related to LSV, Portsea and young members. Congratulations Emie!

Portsea continues to be involved with PINK patrol day which encourages female engagement and recognition in Life Saving. On the 6th of February, Portsea held our PINK patrol which had a fabulous turn out. Throughout the day there were activities such as IRB and board up skill sessions. Everyone is welcome to join and come down and celebrate women in lifesaving. Portsea also attended International Women's Day (IWD) breakfast. The International Women's Day awards aim to celebrate and recognise the amazing contribution and breadth of women, impacting lifesaving across the state. Dr Natalie Hood was nominated for her outstanding contributions to lifesaving.

LSV is currently running two-member development opportunities, those being Leadership Beyond the Flags and the 18+ Mentor Program. If a program like these appeals to you, feel free to contact sophie.courtney@portseasurf.com.au or stephanie.mahon@portseasurf.com.au. There are many more MLD events for members to get involved with throughout the year. Keep an eye out on the eBoomer and on social media to get involved with upcoming member engagement events for next season.

SOPHIE COURTNEY
STEPH MAHON
Membership and Leadership Development Officers.

CENTRE OF EXCELLENCE REPORT

It was a fantastic season of activities for the Portsea Centre of Excellence (CoE) for 2023/24.

Frankston High School Program

The Frankston High School Bronze/SRC camp grew to capacity, fifty-nine candidates either completed a new award or requalified their current Lifesaving Certificate, with eight students going on to complete their

IRBC award over the summer.

Forty-six students received First Aid certification and another sixty-eight received CPR certificates. Patrol hours were up for this cohort and it was fantastic to see twenty-four students arrive to paddle boards as water safety for the P2P. This year's camp will again be at capacity. With so many students signed up the year 7's will be attending as day-campers only.

The Frankston High students also ran Water Safety and activities for Sorrento Primary Schools 'Iron Kid' event.

Schools Program

The Portsea CoE ran a number of LSV endorsed Beach Education programs for schools on the Mornington Peninsula. Students from Balnarring Primary School, St Joseph's Hastings, St Mary's Tyabb, Sorrento Primary and St Joseph's Sorrento participated in events at Balnarring, Sorrento Beach, Pt Leo and Blairgowrie Marina. In all, approximately 350 students were involved in the programs and a dozen Portsea/Sorrento members employed as casual instructors. Portsea also supplied Water Safety staff for programs run by Moorooduc Primary at Mornington and Dromana Primary at Dromana.

NOTE: Numbers were fewer than anticipated due to funding issues. Schools and families are struggling to raise the monies required to cover costs for the beach days, any potential sponsors looking to adopt a school should contact Henry.Kiss@portseasurf.com.au

School Camps

Portsea has been invited to promote our schools programs for camps at the Lord Mayor's Camp and through Bayplay for the coming summer. We have also been asked to schedule in some programs for Mentone Grammar School for their camp at Honeysuckle Point near Shoreham Beach. This is a tremendous opportunity for growth and to reach a broader population.

The second Snippers Program happened in January! 'Snippers' (Seniors Nippers) aimed at Nipper Grandparents who might be left looking after the kids when the parents go back to work. Run over three sessions covered water safety (waves and rips), CPR and Defibs and then a wet activity of rescues with everyday items. The eight candidates all gave very positive feedback. The program will return for January 2025!

Public Defibs. Three Defibrillators are installed and ready for use at Le Capucin (Café) at Portsea Pier), Pt Nepean Campground (next to the camp kitchen) and outside the radio room of our Portsea Backbeach clubhouse.

Personal Defibs. Portsea has now entered a relationship with CellaED, a percentage of the sale of each personal defib will come back to the club.

Mornington Peninsula Aquatic Action Working Group

Portsea has been invited to contribute to this group which includes representatives from the Shire, other Emergency Services (SES, AV, Police, FRV) and the Back Beach Collective, to develop tools and resources to help prevent drownings on the Peninsula. These resources will be made available through the Portsea Social media channels in the near future.

Finally, I'd like to say a huge thank-you to United Energy who continue making these programs possible through their ongoing support.

HENRY KISS

Director Portsea Centre of Excellence

Portsea Bronze Camp December 2023

Portsea Cadet Camp December 2023 Resus

Portsea Silver Camp Sept 2023 The Group.

EQUIPMENT DIRECTOR'S REPORT

Over the last 12 months, our Club's equipment has supported a great number of programs and events. In addition to our extensive education programs, major events, competition teams and lifesaving services, we have also loaned equipment to other Peninsula clubs for their community events and to Life Saving Victoria for emergency callouts and local search and rescue operations. It is a fantastic privilege to have a sizeable portfolio of serviceable and well-maintained equipment to support fellow clubs and the wider community in their times of need.

I had the privilege of supporting the equipment portfolio from afar for a significant portion of the season. In my absence, Blair Nuske and Finn Nicholas, as Deputy Equipment Directors, steadfastly maintained the equipment portfolio. They facilitated the IRB components of Silver Camp in September, passed gear inspections, supported various education and community programs, and performed the incessant repairs and maintenance of equipment required to keep our lifesaving services operational throughout the main season. I would like to thank them both enormously for their contributions and performances!

In the off-season, we endeavoured to continue maximising storage space in the equipment room. Firstly, we rearranged storage racks and transferred less-utilised equipment to off-site storage at Quarantine. Secondly, we wanted to tackle the larger issue of relocating the bins inside the equipment room to the outside bin storage. We developed an action plan with the facilities subcommittee (FSC) to expand the footprint of the bin storage area to fit all the bins, pallets and crates from the equipment room. The work was completed smoothly before the season commenced, and I would like to thank Martin Tissot and the FSC for their support!

The reveal of three new IRBs at the Wall of Fame function was an exciting evening for the equipment portfolio. Due to production delays post-pandemic, Portsea has not welcomed a new IRB since the 'Jesse Faulkhead' IRB unveiling five years ago. The three new IRBs were named after three outstanding volunteers and worthy recipients. Jim Unkles, Bec Gould, and Nick Tissot. Following the christening of the boats, they have become integral to the Portsea IRB Racing Team, as new strict competition rules only permit us to race these 'generation III' boats. It's been great to see them used at many carnivals throughout the winter!

Next season, we have ambitions to continue improving the availability and storage of gear in the equipment room. We plan to provide 1-2 club surf skis for competition members to practice at the back beach on nice weather days. Additionally, with funding contributions from grants, we have purchased a new 6-seater ATV to support our Starfish Nipper program, major events, and various other lifesaving programs and operations. Finally, pending grant applications in the coming months, we plan to purchase a club vehicle to support our growing lifesaving operations at Quarantine and transport our growing fleet of lifesaving, education, and competition trailers and equipment.

I'd like to wish everyone a fantastic off-season, and a massive thank you to anyone who supported the equipment portfolio throughout the season. If anyone would like to get more involved with equipment in the coming season or has any ideas or suggestions, please reach out and get involved! See you all next summer on the beach!

ANDREW MAY
Equipment Director

SUSTAINABILITY CO-DIRECTOR'S REPORT

This season, the Sustainability portfolio at Portsea SLSC has made strides in our commitment to protecting and enhancing our environment, most notably with the publishing of the Portsea SLSC impact report and measurement of our carbon footprint so that we can use this to grow our club in a sustainable and valuable way to benefit all we interact with.

The impact report exists to acknowledge the efforts of our members to provide value to the community beyond our primary role to save lives. We are committed as a club to report on and improve what we do from an environmental, social and governance perspective. Full details will be published in the report but we have included an overview of what we have been working on to reduce our environmental impact this season.

Our focus on maintaining a clean and enjoyable environment for everyone led to several successful beach cleans over the 2023/24 season conducted by our team and the patrol captains. We collected a variety of items, primarily cans and plastic food containers. We encourage all beachgoers to take their rubbish home and dispose of it properly, as Mt Levy beach and our club are situated within a national park, without permanent rubbish bins.

We continuously seek to identify environmental initiatives and encourage all of our members to actively engage in protecting our beach through picking up rubbish and getting involved in our sustainability initiatives. If you're passionate about sustainability and want to get involved, keep an eye out for information via the eBoomer in the coming months.

FINN NICHOLS AND TOM NELSON
Sustainability Subcommittee

IT SUBCOMMITTEE REPORT

As we look back on the past year, the IT Sub-Committee is proud to highlight key accomplishments that have enhanced our operational efficiency, progressed the maturity of the IT processes and improved member experience. Below is a list of the major projects and milestones achieved in 2023/24, reflecting our commitment to supporting the club's goals and fostering continuous improvement.

- Devised & implemented Information Security Policy.
- Implemented Cyber Incident Response Plan.
- Completed PII information cleanse & rationalisation.
- Completed the fibre optic installation for the club's internet.
- Assisted in implementing virtual credit card controls.
- Continued ongoing efforts to improve API integrations with existing IT systems and LSV.
- Established Business Continuity Plan for the IT department.
- Evaluated several new software products for the club.
- Commenced external Information Security review.

MICHAEL HILL
Chair IT Sub-Committee

Portsea 75th Anniversary Our Magnificent Staff.

MAJOR EVENTS

Throughout the summer months, our Club was once again buzzing with a vibrant social calendar, offering numerous engaging events put on for our members. This year marked significant growth in our portfolio as we not only expanded upon our existing events but also introduced new initiatives, notably through the addition of new Deputy Events Director, Alex Croft. At the beginning of the season, our events committee outlined several key goals aimed at fostering inclusivity, expanding social networks, and recognizing member contributions. We can now say with confidence that these objectives have well and truly been achieved.

PRESIDENT'S CLUBS

Every Saturday throughout January, our Surf Club hummed with excitement as our beloved President's Clubs were back in full swing. Following a few words from our President, members were treated with a chance to unwind and connect. The combination of delicious food, refreshing beverages, and the vibrant music curated by our newest DJ, Rupert Courtney, always made for an amazing evening. These nights always received such praise from our broader membership base and it was amazing to consistently see the deck completely packed week after week.

ALL STAR GOLF DAY

Mixing it up from our traditional lifesaving activities, the All Star Golf Day provided our members with an exciting opportunity to showcase their skills over at the prestigious Portsea Golf Club. Against a backdrop of blue skies, participants of all ages teamed up to enjoy some friendly competition, showing off their golfing prowess. The highlight of the day was marked during the exhilarating "Closest to the Pin" contest which was met with cheers and admiration from all. However, the intensity proved too much for some, as multiple drivers were unfortunately bid farewell amidst the excitement.

PORTSEA SWIM CLASSIC WEEKEND

Our Portsea Swim Classic weekend is always a highlight of our club's calendar, culminating in an unforgettable afterparty that celebrated our annual Bay to Surf run and Swim Classic. This year's event was truly special, set against the stunning backdrop of a golden sunset we were thrilled to see a fantastic turnout of members and supporters, all gathered to recognize the achievements of our Club. The evening featured some familiar favourites, including our signature paella and the energetic beats of fan favourite DJ Griff Mitchell, making for an unforgettable night of entertainment and celebration.

HILLY'S WHEEL

A new event that was an absolute hit with our members this season was Hilly's Wheel. Hosted by club legend Johnny Hill, the event was a great way to bring members together down at the club outside of the peak season. With dancing, singing and prizes to be won it was a common sight to see the club packed out every Friday night.

NIPPER EVENTS

Keeping with our aim of providing events for all demographics, our Nipper Cocktail Night and Nipper Disco ensured that members both young and old had the chance to let their hair down. The Cocktail Night saw the club being transformed into a vibrant white night party, complete with live music, an open bar, and a lively atmosphere that allowed parents to socialize and enjoy themselves. Meanwhile, the Nipper Disco was once again back in full swing with juice and lolly bags ensured that everyone was having a fun time. We extend our gratitude to the Nipper committee and all those involved in with making these nights so special.

75TH ANNIVERSARY

Our long awaited 75 Anniversary event finally came to light over the summer and what a special night it was. After a flawless re-enactment of the historic belt and reel rescue from the Leroy's Masochists patrol the night kicked off with some touching speeches from a wide range of members, recounting stories about the club through the years. Everyone looked amazing all dressed in their red and white themed attire and once again the F&B team did a fantastic job catering for the evening.

CAPTAIN'S BARREL

The end of the summer season was marked by our annual Captain's Barrel event. The night commenced with some very kind words from our esteemed club captain Jacqui Hart who once again commended the efforts of our members. The highlight of the night came when three new IRB were presented to some of our club's finest members Nick Tissot, Bec Gould and Jim Unkles. A special extension to our opening hours meant that celebrations were able to continue long into the night, amounting to a truly memorable occasion.

As the season comes to a close our team would like to say a massive thank you to all those who made these events possible. We received so much positive feedback and it was amazing to see everyone have such a good time. Looking forward to next season we will continue to strive to ensure the facilitation of fun and engaging events that work to foster a sense of club culture for our members.

Portsea P2P 2024 Robbie, 20 Year Swimmers, Ted.

Portsea Swim Classic Jan 2024 - The Start.

cont,

PORTSEA SWIM CLASSIC

The 2024 Portsea Swim Classic (PSC) unfolded against the breathtaking backdrop of Quarantine, where pristine waters and natural wonders of Pt Nepean National Park converged. The swift current added an exhilarating dimension, propelling swimmers through the 500m, 1500m, and 2500m courses.

Record-Breaking Participation

This year saw a record number of swimmers embracing the challenge. Our Gold category expanded to two waves, and the mixed wave in the 1500m event continued to gain popularity. Remarkably, this marked the 38th consecutive year of the Portsea Swim Classic, a testament to its enduring legacy.

Seamless Execution by PSLSC Volunteers As swimmers crossed the finish line, they encountered seamless operations orchestrated by dedicated PSLSC volunteers. Unlike events managed by external groups, the PSC is meticulously planned and executed by our community, ensuring maximum financial benefit for the Portsea Surf Life Saving Club (PSLSC).

Moments of Camaraderie

Swimmers and the public consistently commend the club's professionalism. The camaraderie, banter, and joy witnessed as swimmers completed their races contribute to the event's magic. These moments underscore the importance of events like the Swim Classic, which raise crucial funds for training programs and initiatives across lifesaving clubs.

GRATITUDE TO SPONSORS

Our heartfelt thanks go to the event sponsors:

- Gold Sponsors: Crestone, Buxton's Mornington Peninsula, and Solbevi
- Silver Sponsor: People4Ocean
- Event Partners: Orca, Dry Ears, Funky Trunks, Funkita, Engine, Splitrock, Tiro, and World Series Swims

Special Recognition

• Master of Ceremonies: Gab Ireland, our charismatic master of ceremonies, deserves a standing ovation. With wit, humour, and a knack for engaging the crowd, Gab seamlessly blended event information with entertainment, keeping swimmers and spectators entertained throughout the day.

• Registrations: Our registration team worked tirelessly to ensure efficient check-ins, race bib distribution, and waiver signings. Their friendly smiles and organizational prowess set the tone for a smooth start.

• Start and Finish Line: Our start and finish line crew orchestrated precision, synchronizing swimmers, recording times and cheering as participants completed their races, adding to the event's electric atmosphere.

• Merchandise Tent: Volunteers handled queries, and ensured swimmers left with their commemorative gear, turning merchandise into cherished mementos.

• General Helpers: From directing swimmers to replenishing water stations, our general helpers tackled any task, ensuring the event flowed seamlessly.

• Water Safety and First Aid: Positioned strategically along the course, our water safety and first aid teams vigilantly watched over swimmers, ensuring everyone's safety with their expertise and quick actions.

• Core Group: A special mention goes to Christine Walton, Oscar Hunter, Flynn Chable, Darren 'Spot' Kerr, Richard 'Tricky' Fischer, Andrew Cox, Tim Adams, Brett Croft, James Nola, Mark Grooby, Matt Mahon, Jacqui Hart, Tony Castricum, Rod Leonard, Angelo Biviano, Steve Walsh, Mark 'Boothhead' Grimshaw, Jenny Nola, Jack White, Dr. Natalie Hood, Amanda Dyer, and Jason and Glennis Winnett.

• Acknowledging Our Partners: We extend gratitude to Parks Victoria, especially Rick Sissons, for their support in making the event possible. The Sorrento CFA played a crucial role in managing the car park, ensuring smooth and safe parking operations. Oz Timing and Outlook Communications contributed behind-the-scenes expertise that kept the gears turning smoothly.

We're excited to announce that preparations are underway for the 2025 Classic Weekend! Mark your calendars for the Portsea Swim Classic on Saturday, January 17th, and the Bay to Surf - Walk and Runs on Friday, January 16th.

We encourage PSLSC members who want to get involved in organizing and running these events to reach out to the club. Your participation is greatly valued and essential for the success of these activities.

If you're interested in sponsorship opportunities, please contact Louise Paynter at louise.paynter@portseasurf.com.au

We look forward to seeing you and hope you have a great year until then.

HONOURING SIMON WEATHERILL

Amid the celebration, we mourn the tragic passing of Simon Weatherill, who suffered a heart attack during the event. The response from everyone involved was remarkable: our water safety and first aid teams, along with Colmed and Ambulance Victoria, acted swiftly and professionally. We once again extend our heartfelt condolences to Simon's family and friends. Though time has passed, our sorrow remains, and we honour his memory and his love for the event. Simon's spirit will always be a part of our community.

PORTSEA BAY TO SURF

Building on the tremendous success of the Portsea Bay to Surf in 2023, we made the fun run a permanent addition to our club calendar. On January 19th, 2024, 600 runners and walkers gathered at the start line for either the 9km or 4.5km event at Point Nepean National Park.

We received an outpouring of positive feedback from competitors, and I want to express my deepest gratitude to all the volunteers who made the event a success. Special thanks go to Sue Crow, our Deputy Event Director; site managers Jacqui Hart and Alice Milliani; Course Safety Director Jim Unkles; and Administration Manager Christine Walton. Your dedication and hard work ensured the smooth execution of the event and I truly appreciate your contributions.

We extend our sincere thanks to Brooks, our major event sponsor, for their continued support for the third consecutive year. We eagerly anticipate working with both our long-time and new sponsors in the future!

If you haven't experienced the Bay to Surf yet, I strongly encourage you to take part. This event offers a distinctive opportunity to explore the breathtaking scenery of Point Nepean National Park, culminating with a picturesque finish on Portsea Back Beach at sunset. There are three race options to suit all levels of ability: the 4.5km walk is perfect for families and anyone eager to discover the Mornington Peninsula, the 4.5km run is great for beginners, and the 9km run is designed for seasoned athletes looking for a challenge that spans roads, trails, and beach.

We are working tirelessly to constantly improve and grow our new event. If you volunteered or competed on the day and have any suggestions for how we could enhance the event, please email me at james.nola@portseasurf.com.au

PIER TO PERIGNON

The Pier to Perignon originated in 1989 when Ted Baillieu and Robert Robertson swam from Sorrento to Portsea, with the winner receiving a bottle of Dom Perignon. The following year, they invited friends to join, again wagering a bottle of Dom Perignon. Since then, the event has grown to around 1,000 swimmers while maintaining its unique charm.

From the beginning, the Pier to Perignon has been about personal accomplishment rather than competition. Most swimmers participate with the goal of completing the challenging swim, considering an improved time from the previous year as a bonus.

At the finish line, a carnival-like atmosphere greets participants, complete with food and drink stalls. The male and female winners receive a perpetual trophy and a bottle of Dom Perignon. The club also recognizes those who have participated for 10, 20, and recently 30 years, presenting them with a large framed aerial photograph of the swim route.

The original founders still compete, with a perpetual trophy awarded to the faster swimmer between them. Over 80 swimmers have surpassed the 20-swim milestone, and the founders reached the 30-swim mark in 2018.

The 2024 Pier to Perignon took place on a beautiful sunny day with perfect conditions and a strong tide. We congratulate all the competitors and extend our gratitude to the over 150 volunteers who make the event possible, from administration to water safety.

Special thanks to our major sponsor, Kay & Burton, and Liz Jensen for their support over the past 25 years. We also appreciate the contributions of LGT Crestone, Smith Builders, and Tintuppa Landscaping.

The Pier to Perignon is not just a swim; it's an eagerly anticipated event experience for swimmers and their supporters each year, always selling out.

SAM PAYNTER Event Director

Portsea Bay To Surf Jan 2024 The Start.

Portsea Bay To Surf Jan 2024 Happy to finish.

PORTSEA ALL STARS GOLF DAY

The annual Portsea All Stars Golf Day, held on January 12, was nothing short of spectacular, with 112 players taking to the course for a day filled with competition, camaraderie, and community spirit. With picture-perfect weather and the course in pristine condition, the stage was set for what would become one of the most memorable tournaments in the event's history.

From the moment players arrived, there was an undeniable buzz in the air. Whether seasoned golfers or enthusiastic amateurs, everyone embraced the challenge of the day with enthusiasm, enjoying both the stunning course and the opportunity to support a great cause. The Portsea All Stars Golf Day has become a highlight on the summer social and sporting calendar, and this year's turnout was a testament to its growing popularity.

It was a day to remember. As the competition unfolded, players navigated the fairways, faced tricky greens, and shared plenty of laughs along the way. The team spirit and sportsmanship on display were outstanding, with groups strategizing, celebrating great shots, and offering good-natured banter throughout the day. Beyond the game itself, the event was about bringing people together, members, supporters, sponsors, and friends, all united in their support of the Portsea SLSC.

A massive thank you goes out to the Portsea SLSC organizing committee, whose dedication and behind-the-scenes efforts ensured a flawless event. The staff at the golf club also deserve high praise for their exceptional hospitality, making sure players were well looked after from start to finish. These events don't happen without meticulous planning and teamwork, and it was clear that every detail had been carefully considered to enhance the experience for all involved.

The event demonstrated the power of community support. One of the key reasons behind the success of the Portsea All Stars Golf Day is the incredible support from our sponsors. Their generosity and commitment to the event allow us to not only put on an exceptional day of golf but also raise vital funds for Portsea SLSC. The club plays a crucial role in ensuring safety on our beaches, training lifesavers, and fostering a strong community. Events like this help sustain these efforts. To all of our sponsors and supporters, thank you! Your contributions make a tangible difference, and we are truly grateful. Thank you to LGT Crestone, TGI Fridays, Balter, Elwood Bathers, Pedders, Buxton Mornington Peninsula and Portsea Estate

While every hole on the course brought its own set of challenges and triumphs, there was one moment that had everyone talking, the 19th Hole Shoot-out, proudly sponsored by Balter was a highlight to remember!. As the final putts of the day were sinking, the excitement shifted to this thrilling challenge, where players had one shot to claim glory. In front of a cheering crowd, Stuart Eason rose to the occasion, delivering a clutch performance to take home the title. Congratulations Stuart!

Of course, the day wouldn't be complete without recognizing the incredible efforts of all players, particularly our overall winners - Paige Fitzroy, Bev Thomas, Rod Fitzroy & Steve Roebuck, who showcased outstanding skill and consistency throughout the tournament. The final celebrations were filled with laughter, shared stories from the day, and plenty of appreciation for the event, its success.

With another hugely successful tournament in the books, we are already looking forward to next year. The Portsea All Stars Golf Day continues to grow, and with such an amazing community behind it, the future looks incredibly bright.

Thank you to everyone who played, volunteered, sponsored, and supported this fantastic event. See you all in 2025!

SPONSORS 2023-2024

The Portsea Surf Life Saving Club is supported by a large and diverse group of sponsors who contribute funds, equipment and services to the Club. We depend greatly on this support to ensure the community service we provide to the public using the beach is first class.

Portsea SLSC gratefully acknowledges the generous support of our loyal partners and sponsors, most of whom have faithfully supported the Club, its operations and events for many years.

PORTSEA SLSC PARTNER

United Energy is the major club sponsor. Together with United Energy, the Club is delivering a range of educational programs over the course of this multi-year arrangement.

PORTSEA SWIM CLASSIC

Progressing into upcoming Season 2024/25, we are proud to announce a new PSLSC Club 'Partner' for 2024/25 Season, TLC Healthcare on a 3-year agreement.

There are a few sponsor adjustments for the upcoming 2024/25 Season with a mandate to 'nurture' our existing sponsors to deliver their KPIs and to secure longer (2 or 3 year) agreements. This will set us up for a 'growth step change' a substantial leap in performance, for season 2025/26, with new sponsors, especially from the Nipper cohort.

Opportunities exist to bolster financial sponsorship contribution for the upcoming season across on the All Stars Golf Day event and the launch of a PSLSC Ladies Day Lunch to raise funds for the Primary School Education program.

GOVERNMENT & ASSOCIATION GRANTS

The Club gratefully acknowledges the Australian Government, Surf Life Saving Australia, Life Saving Victoria, the Victorian State Government and the Mornington Peninsula Shire Council in providing support for our operations.

PORTSEA SURF LIFESAVING FOUNDATION

The Club acknowledges the Trustees of the Portsea Surf Lifesaving Foundation for their ongoing and significant financial contributions towards the Club.

Appreciation of Services & Assistance

The Club depends heavily on members, their family and friends in many areas of the Club's operation and extends thanks to these people who supported us during the year.

MEMBERSHIP SUMMARY

Membership numbers for the various categories for season 2023 - 2024 were:

MEMBERSHIP CATEGORY	2023/2024	2022/2023	2021/2122	2020/2021
Honorary Life	31	31	31	31
Active(1)		520	477	454
Active Reserve	0	0	0	2
Associate Life (2)	0	0	0	0
Active Family Memberships (3)(4)	736	726	603	531
Additional Active Family Members (5)	2394	2,357	1,997	1,730
Associate Individual	528	487	539	385
Associate Family Memberships (3)(4)	539	536	546	526
Additional Associate Family Members (5)	1216	1,195	1,266	1,408
Foundation (6)	122	123	123	123
Volunteer	7	5	3	1
Frankston High School (7)	50	44	0	0
Southern Peninsula Rescue (7)	25	25	0	0
Nipper	665	647	615	576
Bronze	93	75	75	94
Cadet	73	61	66	74
TOTAL (8)	5739	5,632	5,223	4,820

Notes:

1. Active Members: includes all members who attended patrols this season. This number represents a degree of double-counting, as Active members may also be counted as part of an Active Family membership.

2. Associate Life Membership: is a category of membership that was reserved for a group of members who materially assisted with the formation of the Club in 1949. All these members have now passed away.

3. Family Memberships represent the number of family groups in the Club.

4. Families with at least one member actively participating in patrols, Nippers or education camps are eligible for Active Family membership. Other families are eligible for Associate Family membership. This distinction was introduced for the first time in the 2020 - 2021 season.

5. Additional Family Members: members who belong to a family membership, other than the primary family member.

6. Foundation: represents a group of members who were granted honorary family membership in the 1980s.

7. Frankston High School students have been involved in Club activities for many years. A separate category for student membership was introduced for the 2022 - 2023 year.

8. TOTAL: the membership numbers in the table include a degree of double-counting due to members being part of more than one group (e.g.: Nippers are also Additional Family Members; some life members are also Active patrolling members, etc.). The Total figure reported at the foot of the table excludes double-counting and represents the total number of current members of the Club.

DONATIONS

In addition to the donations received by the Club specifically in aid of the Clubhouse rebuild project, Portsea SLSC also gratefully acknowledges donations received in 2023/24 from various sources who choose to remain anonymous, as well as the Portsea SLSC Foundation.

50 Years of Patrolling N/A

COMPETITION AWARDS

Most Improved Junior Competitor

Junior competitors who have shown the greatest improvement throughout the season.

Male: Harper Stevens. Female: Mia Horskins.

Charlie Schall Award. Recognises the best male and female team contributor, not necessarily the best athlete. Has shown determination, support of others, leadership, achievement, is team and club oriented, and is reliable and committed.

Male: Jimmy McNamara. Female: Camilla Klein.

Best Athlete, Junior Competition

The leading athlete based on carnival results. N/A

U14/15 Club Champion

Based on Championship points. Female. Sofi Barnaby.
Male. Paddy Benson.

U18 Male Club Champion. Based on Championship points. Emile Stigter

U19 Female Club Champion. Based on Championship points. Mackie Hunter.

Open Club Champion. Based on Championship points. Female. Steph Hunter.

Male. Griffin Mitchell.

Masters Club Champion. Based on Championship points. Female. N/A.

Male. Phil Harford.

IRB Athlete of the Year. Based on season performance, positive contributions to team dynamic, and willingness to support team members, and attendance and presence in training. Eliza McNamara.

Portsea Swim Classic Dom Hart in Centre.

Portsea 75th Anniversary
MC Tim Hart, President Matt Maher.

Portsea 75th Anniversary
Life Members Kerri Hart, Tim Hart.

cont,

Yencken Cup

(Open Surf Race - First Male) Based on Club Championship Open Swim. Griffin Mitchell.

Nat Hood Cup

(Open Surf Race, First Female). Based on Club Championship Open Swim. Mackie Hunter.

Competition Director's Award.

Someone who has shown commitment to the team, carnivals, and has been of the greatest help to the competition director. Rob Wills.

Competitor of the Year.

Best Overall Competitor (IRB, Senior, Rowers and Masters). A combination of quality of results (ie Aust Titles get the heaviest weighting, Individual is rated above teams), the quantity of results (The more the better), the number of times the person competed, and their general leadership/attitude. Mackie Hunter.

CLUB AWARDS

Pier to Perignon Director's award.

Greatest assistance to the P2P Director in the planning and execution of the P2P event. Mark Grooby.

Bay to Surf Director's award.

Greatest assistance to the B2S Director in the planning and execution of the B2S event. Sue Crow

Portsea Swim Classic Director's award.

Greatest assistance to the PSC Director in the planning and execution of the PSC event.

Tony Castricum

Portsea Events Director's Award.

Christine Walton

Junior Development Manager's award.

Greatest assistance to the Junior Development Manager in the planning and execution of Nippers.

Anita Zanchetta and Kristen Sagar

Richard Fisher Award.

Recognises the best contributor to training and assessment of lifesaving awards. Must hold TOC/ASC qualification. Griffin Mitchell

Education Director's award.

Greatest assistance to the Education Director in the planning and execution of training and education.

Glennis Winnett and Claire Whitbread

Golden Shovel.

The person who has done the "dirtiest" (must be legal) or combined number of "dirtiest" deeds for the year. Cannot ever be given to someone who either tries to win it or asks for the award.

Club Captain's Award.

Greatest assistance to the Club Captain in managing the operations of the Club. Sas McNamara.

Junior Wishart Award.

A person under the age of 18 who was the best junior contributor to the Club over the season. Ernie Young.

President's Award.

Greatest assistance to the President over the season. Brett Croft.

John Wishart Award.

The all-round best club person. Recommended Criteria: On Committee or Major Sub Committee, Significant Patrol Presence, **Serious Competitor.** Excellent Leader, Very involved in Training, and Special Events, Should also be involved at State Centre Level. Henry Kiss.

Patrol of the Year (Red Towel).

Points are tallied according to the Red Towel criteria, which includes patrol attendance, number of 100% patrollers, internal patrol inspections, cleaning duties performed and the number of new awards gained. Legends.

Portsea SLSC

Outstanding Achievement Award.

Awarded to individuals or subcommittees that have excelled in one or multiple areas of Portsea SLSC operations. No Awarded The Season.

PATROL OF THE YEAR (RED TOWEL)

The Red Towel is awarded to the best performing patrol team of the season. For the 2023/2024 season, the Patrol of the Year award was won by Legends captained by Simon (Guv) Knight.

VALE

Keith Forbes.

The club has been informed of the death of our member Keith Forbes on September 27th 2023. Keith gained his Bronze in 1960/61 and went on to serve as a patrolling member at Portsea until retiring in season 1980/81. He remained as an Associate Member then as part of The Portsea Foundation. Keith was a junior and senior member of the club and competitor in the R & R teams, surf race and ski paddling. He was a very good reel man and body surfer. The committee and members who knew Keith extend their condolences to his extended family at this sad time.

Portsea Australian Masters 2024
Dave Flockhart Memorial Ski.

**AUDITOR'S INDEPENDENCE DECLARATION
UNDER SECTION 60-40
OF THE AUSTRALIAN CHARITIES AND NOT FOR PROFITS COMMISSION ACT 2012
TO THE COMMITTEE OF PORTSEA SURF LIFESAVING CLUB INC**

In accordance with *Subdiv 60-40 of the Australian Charities and Not-for-profits Commission Act 2012*, I am pleased to provide the following declaration of independence to the Committee of Portsea Surf Life Saving Club Inc.

I declare that, to the best of my knowledge and belief, during the year ended 30 April 2024 there have been no contraventions of:

- (i) the auditor independence requirements of the *Australian Charities and Not-for-profits Commission Act 2012*; and
- (ii) any applicable code of professional conduct in relation to the audit.

The accompanying notes form part of these financial statements

NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 30 APRIL 2024

The financial report is for Portsea Surf Life Saving Club Inc as an individual entity. Portsea Surf Life Saving Club Inc is a Club incorporated in Victoria and operating pursuant to the *Associations Incorporation Reform Act 2012* and the *Australian Charities and Not-for-profits Commission Act 2012*.

NOTE 1: STATEMENT OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Preparation

The financial statements are general purpose financial statements that have been prepared in accordance with *Australian Accounting Standards – AASB 1060: General Purpose Financial Statements Simplified Disclosures for For-Profit and Not-for-Profit Tier 2 Entities* of the Australian Accounting Standards Board (AASB) and the *Australian Charities and Not-for-profits Commission Act 2012*. The Club is a not-for-profit entity for financial reporting purposes under Australian Accounting Standards.

Australian Accounting Standards set out accounting policies that the AASB has concluded would result in financial statements containing relevant and reliable information about transactions, events and conditions. Material accounting policies adopted in the preparation of these financial statements are presented below and have been consistently applied unless stated otherwise.

The financial statements, except for the cash flow information, have been prepared on an accrual basis and are based on historical costs, modified, where applicable, by the measurement at fair value of selected non-current assets, financial assets and financial liabilities. The amounts presented in the financial statements have been rounded to the nearest dollar.

Accounting Policies

a. Revenue

Revenue Recognition

Operating Grants, Donations, Sponsorships and Bequests

When the Club receives operating grant revenue, donations, sponsorships or bequests, it assesses whether the contract is enforceable and has sufficiently specific performance obligations in accordance to AASB 15: *Revenue from Contracts with Customers*.

When both these conditions are satisfied, the Club:

- identifies each performance obligation relating to the grant;
- recognises a contract liability for its obligations under the agreement; and
- recognises revenue as it satisfies its performance obligations.

Where the contract is not enforceable or does not have sufficient specific performance obligations, the Club:

- recognises the asset received in accordance with the recognition requirements of other applicable accounting standards (for example AASB 9: *Financial instruments*, AASB 16: *Leases*, AASB 116: *Property, plant and equipment* and AASB 138: *Intangible assets*);
- recognises related amounts (being contributions by Members, lease liability, financial instruments, provisions, revenue or contract liability arising from a contract with a customer, sponsor or funder); and
- recognises revenue immediately in profit or loss as the difference between the initial carrying amount of the asset and the related amount.

If a contract liability is recognised as a related amount above, the Club recognises revenue in profit or loss when or as it satisfies its obligations under the contract.

Member Subscriptions

Member subscriptions are recognised as income in the year to which they relate. When subscriptions are received that relate to subsequent financial year, the amount received as deferred income is classified as liability.

NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 30 APRIL 2024

Contributed Assets

The Club receives assets from the government and other parties at nil or nominal consideration in order to further its objectives. These assets are recognised in accordance with the recognition requirements of other applicable accounting standards (for example AASB 9: *Financial instruments*, AASB 16: *Leases*, AASB 116: *Property, plant and equipment*).

On initial recognition of an asset, the Club recognises related amounts (being contributed by owners, lease liability, financial instruments, provisions, revenue or contract liability arising from a contract with a customer).

The Club recognises income immediately in profit or loss as the difference between initial carrying amounts of the asset and the related amount.

Income from sale of goods

The Club sells merchandising products, and food and beverages to Members. Revenue is recognised when control of the products has transferred to the customer. For such transactions, this is when the products are delivered to the customers.

All revenue is stated net of the amount of goods and services tax.

Interest Income

Interest income is recognised using the effective interest rate method.

b. Inventories

Inventories held for sale are measured at the lower of cost and net realisable value.

Inventories acquired at no cost, or for nominal consideration, are valued at the current replacement cost as at the date of acquisition.

c. Property, Plant and Equipment

Each class of property, plant and equipment is measured on the cost basis and are therefore carried at cost less accumulated depreciation and any accumulated impairment losses. In the event the carrying amount of property, plant and equipment is greater than the estimated recoverable amount, the carrying amount is written down immediately to the estimated recoverable amount and impairment losses are recognised in profit or loss. A formal assessment of recoverable amount is made when impairment indicators are present (refer to Note 1(e) for details of impairment).

Plant and equipment that have been contributed at no cost or for nominal cost are valued and recognised at the fair value of the asset at the date it is acquired.

Depreciation

The depreciable amount of all fixed assets including buildings and capitalised lease assets, but excluding freehold land, is depreciated on a diminishing value basis over the asset's useful life to the Club commencing from the time the asset is held ready for use. Leasehold improvements are depreciated over the estimated useful lives of the improvements.

The depreciation rates used for each class of depreciable assets are:

Class of Fixed Asset Average Depreciation Rate

Buildings	2.5%
Fixture & Fittings	14%
Plant and Equipment	33%

The assets' residual values and useful lives are reviewed, and adjusted if appropriate, at each reporting period.

Gains and losses on disposals are determined by comparing proceeds with the carrying amount. These gains or losses are included in the statement of comprehensive income in the period which they arise. When revalued assets are sold, amounts included in the revaluation surplus relating to that asset are transferred to retained earnings.

NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 30 APRIL 2024

d. Financial Instruments

Initial Recognition and measurement

Financial assets and financial liabilities are recognised when the Club becomes a party to the contractual provisions to the instrument. For financial assets, this is the date that the Club commits itself to either the purchase or sale of the asset (i.e. trade date accounting is adopted).

Financial instruments (except for trade receivables) are initially measured at fair value plus transaction costs, except where the instrument is classified "at fair value through profit or loss", in which case transaction costs are expensed to profit or loss immediately. Where available, quoted prices in an active market are used to determine fair value. In other circumstances, valuation techniques are adopted.

Trade receivables are initially measured at the transaction price if the trade receivables do not contain a significant financing component or if the practical expedient was applied as specified in AASB 15: *Revenue from Contracts with Customers*.

Classification and subsequent measurement

Financial Liabilities

Financial liabilities are subsequently measured at:

- amortised cost; or
- fair value through profit or loss.

A financial liability is measured at fair value through profit or loss if the financial liability is:

- a contingent consideration of an acquirer in a business combination to which AASB 3: *Business Combinations* applies;
- held for trading; or
- initially designated as at fair value through profit or loss.

All other financial liabilities are subsequently measured at amortised cost using the effective interest method.

The effective interest method is a method of calculating the amortised cost of a debt instrument and of allocating interest expense in profit or loss over the relevant period.

The effective interest rate is the internal rate of return of the financial asset or liability. That is, it is the rate that exactly discounts the estimated future cash flows through the expected life of the instrument to the net carrying amount at initial recognition.

A financial liability is held for trading if it is:

- incurred for the purpose of repurchasing or repaying in the near term;
- part of a portfolio where there is an actual pattern of short-term profit taking; or
- a derivative financial instrument (except for a derivative that is in a financial guarantee contract or a derivative that is in an effective hedging relationship).

Any gains or losses arising on changes in fair value are recognised in profit or loss to the extent that they are not part of a designated hedging relationship.

The change in fair value of the financial liability attributable to changes in the issuer's credit risk is taken to other comprehensive income and is not subsequently reclassified to profit or loss. Instead, it is transferred to retained earnings upon derecognition of the financial liability.

If taking the change in credit risk in other comprehensive income enlarges or creates an accounting mismatch, then these gains or losses should be taken to profit or loss rather than other comprehensive income.

A financial liability cannot be reclassified.

Financial assets

Financial assets are subsequently measured at:

- amortised cost;
- fair value through other comprehensive income; or

NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 30 APRIL 2024

- fair value through profit or loss.

Measurement is on the basis of two primary criteria:

- the contractual cash flow characteristics of the financial asset; and
- the business model for managing the financial assets.

A financial asset that meets the following conditions is subsequently measured at amortised cost:

- the financial asset is managed solely to collect contractual cash flows; and
- the contractual terms within the financial asset give rise to cash flows that are solely payments of principal and interest on the principal amount outstanding on specified dates.

A financial asset that meets the following conditions is subsequently measured at fair value through other comprehensive income:

- the contractual terms within the financial asset give rise to cash flows that are solely payments of principal and interest on the principal amount outstanding on specified dates; and
- the business model for managing the financial asset comprises both contractual cash flows collection and the selling of the financial asset.

By default, all other financial assets that do not meet the measurement conditions of amortised cost and fair value through other comprehensive income are subsequently measured at fair value through profit or loss.

The Club initially designates a financial instrument as measured at fair value through profit or loss if:

- it eliminates or significantly reduces a measurement or recognition inconsistency (often referred to as an "accounting mismatch") that would otherwise arise from measuring assets or liabilities or recognising the gains and losses on them on different bases;
- it is in accordance with the documented risk management or investment strategy and information about the grouping is documented appropriately, so the performance of the financial liability that is part of a group of financial liabilities or financial assets can be managed and evaluated consistently on a fair value basis; and
- it is a hybrid contract that contains an embedded derivative that significantly modifies the cash flows otherwise required by the contract.

The initial designation of the financial instruments to measure at fair value through profit or loss is a one-time option on initial classification and is irrevocable until the financial asset is derecognised.

NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 30 APRIL 2024

Derecognition

Derecognition refers to the removal of a previously recognised financial asset or financial liability from the statement of financial position.

Derecognition of financial liabilities

A liability is derecognised when it is extinguished (i.e. when the obligation in the contract is discharged, cancelled or expires). An exchange of an existing financial liability for a new one with substantially modified terms, or a substantial modification to the terms of a financial liability, is treated as an extinguishment of the existing liability and recognition of a new financial liability.

The difference between the carrying amount of the financial liability derecognised and the consideration paid and payable, including any non-cash assets transferred or liabilities assumed, is recognised in profit or loss.

Derecognition of financial assets

A financial asset is derecognised when the holder's contractual rights to its cash flows expires, or the asset is transferred in such a way that all the risks and rewards of ownership are substantially transferred.

All the following criteria need to be satisfied for the derecognition of a financial asset:

- the right to receive cash flows from the asset has expired or been transferred;
- all risk and rewards of ownership of the asset have been substantially transferred; and
- the Club no longer controls the asset (i.e. it has no practical ability to make unilateral decisions to sell the asset to a third party).

On derecognition of a financial asset measured at amortised cost, the difference between the asset's carrying amount and the sum of the consideration received and receivable is recognised in profit or loss.

On derecognition of a debt instrument classified as fair value through other comprehensive income, the cumulative gain or loss previously accumulated in the investment revaluation reserve is reclassified to profit or loss.

On derecognition of an investment in equity which the Club elected to classify under fair value through other comprehensive income, the cumulative gain or loss previously accumulated in the investments revaluation reserve is not reclassified to profit or loss, but is transferred to retained earnings.

Impairment

The Club recognises a loss allowance for expected credit losses on:

- financial assets that are measured at amortised cost or fair value through other comprehensive income;
- lease receivables;
- contract assets (e.g. amount due from customers under construction contracts);
- loan commitments that are not measured at fair value through profit or loss; and
- financial guarantee contracts that are not measured at fair value through profit or loss.

Loss allowance is not recognised for:

- financial assets measured at fair value through profit or loss; or
- equity instruments measured at fair value through other comprehensive income.

Expected credit losses are the probability-weighted estimate of credit losses over the expected life of a financial instrument. A credit loss is the difference between all contractual cash flows that are due and all cash flows expected to be received, all discounted at the original effective interest rate of the financial instrument.

The Club uses the following approaches to impairment, as applicable under AASB 9 *Financial Instruments* :

- the simplified approach;

Simplified approach

The simplified approach does not require tracking of changes in credit risk at every reporting period, but instead requires the recognition of lifetime expected credit loss at all times.

This approach is applicable to:

NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 30 APRIL 2024

- trade receivables or contract assets that result from transactions that are within the scope of AASB 15: *Revenue from Contracts with Customers*, and which do not contain a significant financing component; and
- lease receivables.

In measuring the expected credit loss, a provision matrix for trade receivables is used taking into consideration various data to get to an expected credit loss (i.e. diversity of its customer base, appropriate groupings of its historical loss experience, etc).

For the year ended 30 April 2023 the Committee estimate the loss rate to be zero, therefore no expected credit loss allowance was recognised.

e. Impairment of Assets

At the end of each reporting period, the Club reviews the carrying values of its tangible and intangible assets to determine whether there is any indication that those assets have been impaired. If such an indication exists, the recoverable amount of the asset, being the higher of the asset's fair value less costs to sell and value in use, is compared to the asset's carrying value. Any excess of the asset's carrying value over its recoverable amount is recognised in profit or loss.

Where the assets are not held primarily for their ability to generate cash inflows – that is, they are specialised assets held for continuing use of their service capacity – the recoverable amounts are expected to be materially the same as fair value.

Where it is not possible to estimate the recoverable amount of an assets class, the Club estimates the recoverable amount of the cash-generating unit to which the class of assets belong.

Where an impairment loss on a revalued individual asset is identified, this is recognised against the revaluation surplus in respect of the same class of asset to the extent that the impairment loss does not exceed the amount in the revaluation surplus for that same class of asset.

f. Cash and Cash Equivalents

Cash and cash equivalents include cash on hand, deposits held at call with banks.

g. Goods and Services Tax (GST)

Revenues, expenses and assets are recognised net of the amount of GST, except where the amount of GST incurred is not recoverable from the Australian Taxation Office (ATO). Receivables and payables are stated inclusive of the amount of GST receivable or payable. The net amount of GST recoverable from, or payable to, the ATO is included with other receivables or payables in the statement of financial position

Cash flows are presented on a gross basis. The GST components of cash flows arising from investing or financing activities, which are recoverable from or payable to the ATO, are presented as operating cash flows included in receipts from customers or payments to suppliers.

h. Income Tax

No provision for income tax has been raised as the Club a Public Benevolent Institution and is exempt from income tax under Division 50 of the *Income Tax Assessment Act 1997*.

i. Employee Benefits

Short-term employee benefits

Provision is made for the Club's obligation for short-term employee benefits. Short-term employee benefits are benefits (other than termination benefits) that are expected to be settled wholly within 12 months after the end of the annual reporting period in which the employees render the related service, including wages, salaries, annual leave and sick leave. Short-term employee benefits are measured at the (undiscounted) amounts expected to be paid when the obligation is settled.

The Club's obligations for short-term employee benefits such as wages and salaries are recognised as part of trade and other payables in the statement of financial position. Contributions are made by the Club to an employee's superannuation fund and are charged as expenditure when incurred.

NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 30 APRIL 2024

j. Trade and Other Receivables

Trade and other receivables include amounts due from sponsors, outstanding grant receipts and other miscellaneous debtors. Receivables expected to be collected within 12 months of the end of the reporting period are classified as current assets. All other receivables are classified as non-current assets.

Trade receivables are initially recognised at fair value and subsequently measured at amortised cost using the effective interest method, less any provision for impairment. Refer to Note 1 (d) for further discussion on the determination of impairment losses.

k. Trade and Other Payables

Trade and other payables represent the liabilities for goods and services received by the Club that remain unpaid at the end of the reporting period. The balance is recognised as a current liability with the amount normally paid within 30 days of the recognition of the liability. Trade and other payables are initially measured at fair value and subsequently measured at amortised cost using the effective interest method.

l. Provisions

Provisions are recognised when the Club has a legal or constructive obligation, as a result of past events, for which it is probable that an outflow of economic benefits will result and that outflow can be reliably measured. Provisions recognised represent the best estimate of the amounts required to settle the obligation at the end of the reporting period.

m. Comparative Figures

Where required by Accounting Standards comparative figures have been adjusted to conform with changes in presentation for the current financial year.

n. Critical Accounting Estimates and Judgments

The Committee evaluate estimates and judgments incorporated into the financial report based on historical knowledge and best available current information. Estimates assume a reasonable expectation of future events and are based on current trends and economic data, obtained both externally and within the Club.

Key Estimates & Judgements

(i) Impairment

The Club assesses impairment at each reporting date by evaluation of conditions and events specific to the Club that may be indicative of impairment triggers.

(ii) Useful lives of property, plant and equipment

As described in Note 1(c), the Club reviews the estimated useful lives of property, plant and equipment at the end of each annual reporting period.

(iii) Property Lease

The Club only has a lease of clubhouse land which is considered a peppercorn lease (lease significantly below-market terms and conditions principally to enable the Club to further its objectives) and the Club has not elected to measure this lease at fair value, the lease cost is considered a low-value lease and as such the Club has elected to apply the 'low-value' exemption in accordance with AASB 16: *Leases*.

(iv) Performance obligations under AASB 15: Revenue from Contracts with Customers

To identify a performance obligation under AASB 15, the promise must be sufficiently specific to be able to determine when the obligation is satisfied. The Committee exercises judgement to determine whether the promise is sufficiently specific by taking into account any conditions specified in the arrangement, explicit or implicit, regarding the promised goods or services. In making this assessment, Committee includes the nature/type, cost/value, quantity, and the period of transfer related to the goods or services promised.

NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 30 APRIL 2024

(v) *Employee benefits*

For the purpose of measurement, AASB 119: *Employee Benefits* defines obligations for short-term employee benefits as obligations expected to be settled wholly within 12 months after the end of the annual reporting period in which the employees render the related service. The Committee believe that obligations for part of annual leave entitlements satisfy the definition of short-term employee benefits and are measured at the (undiscounted) amounts expected to be paid when the obligation is settled.

o. New and Amended Accounting Standards Adopted by the Club

Initial adoption of AASB 1060: *General Purpose Financial Statements – Simplified Disclosures for For-Profit and Not-for-Profit Tier 2 Entities*

The Club has adopted AASB 1060: General Purpose Financial Statements – Simplified Disclosures for For-Profit and Not-for-Profit Tier 2 Entities for the first time this reporting period. The standard, which sets out a new separate disclosure Standard to be applied by all entities that are reporting under Tier 2 of the Differential Reporting Framework in AASB 1053: Application of Tiers of Australian Accounting, replaces the previous Reduced Disclosure Requirements (RDR) framework. The application of this standard has resulted in reductions in disclosures compared to RDR in Revenue, Leases and Financial Instruments; however has resulted in new and/or increased disclosures in areas such as Audit Fees and Related Parties.

The adoption of this standard did not have a material impact on the financial statements, hence comparative balances were not restated.

p. New Accounting Standards and Amendments Not Yet Adopted by the Club

New standards and amendments are not expected to have a material impact on the financial statements of the Club.

NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 30 APRIL 2024

q. Going Concern

The Club made a surplus of \$65,745 during the year ended 30 April 2024 (for the year ended 30 April 2023: \$180,196), a net cash inflow from operating activities of \$471,904 (for the year ended 30 April 2023: \$400,782), and, as of that date, the Club's current assets exceeded its current liabilities by \$2,781,442 (as at 30 April 2023: \$2,550,663). In addition to generating sufficient cash flows and surpluses, the Club's ability to continue as a going concern and to meet its debts and commitments as they fall due are dependent on:

- The renewal of the crown land lease under which the clubhouse is built on
- The ongoing support of the Club's members

The crown land lease under which the clubhouse is built on expired on 31 December 2019 and remains in an overholding period ever since. The renewal of this lease is pivotal to the Club's ongoing operations and overall survivability. Administrative delays have hindered the timely renewal of the lease. Nevertheless, the Committee is in constant communication with the relevant government agency and expects the lease to be renewed in a similar form.

The Club is a membership based organisation and is reliant on the support of its members to generate sufficient cash flows and surpluses. Membership income remained steady over the past few years and based on the budget, the Committee expects membership income to grow over the coming years.

The Club's surplus and cash inflows from operating activities decreased in the current year primarily due to increased salaries and wages, cost of food and beverages and event costs. Nonetheless, based on the budget, the Committee expects the Club to continue to generate positive operating cash flows and surpluses for the foreseeable future.

Based on the above, The Committee believes that the Club will be able to discharge its debts and liabilities as and when they fall due. Therefore, the Club's financial statements have prepared on a going concern basis.

Should the Club be unable to continue as a going concern, it may be required to realise its assets and extinguish its liabilities other than in the normal course of business and at amounts different to those stated in the financial statements. The financial statements do not include any adjustments relating to the recoverability and classification of asset carrying amounts, or to the amount and classification of liabilities that might result should the Club be unable to continue as a going concern and meet its debts as and when they fall due.

Additions at Cost	-	102,604	99,330	201,934
Depreciation Expense	(219,238)	(36,353)	(104,079)	(359,670)
Carrying Amount at End of Year	8,598,222	271,751	256,035	9,126,008
2024				
Balance at the Beginning of the Year	8,598,222	271,751	256,035	9,126,008
Building Redevelopment	42,830	-	-	42,830
Additions at Cost	-	13,713	136,935	150,648
Depreciation Expense	(215,284)	(39,881)	(103,347)	(358,512)
Carrying Amount at End of Year	8,425,768	245,583	289,623	8,960,974

Buildings are situated on crown land which is leased to the Club at minimal cost. The current lease term has expired on 31 December 2019 and remains in an overholding period whilst a new lease is developed. The Committee expects that the lease will be renewed and will continue in a similar form. Also refer to Note 1(q).

NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 30 APRIL 2024

NOTE 7: TRADE AND OTHER RECEIVABLES

	Note	2024	2023
		\$	\$
Trade Receivables		101,025	39,554
Less: Provision for Doubtful Debts		(320)	(4,500)
Goods & Services Tax Receivable		-	8,473
Accrued Income		-	157
Total Trade and Other Receivables		100,705	43,684

Current trade receivables are non-interest bearing and generally are receivable within 30 days.

NOTE 8: TRADE AND OTHER PAYABLES

	Note	2024	2023
		\$	\$
Trade Payables		70,091	41,977
Other Payables and Accruals		23,562	21,275
Credit Cards		74	3,550
GST		7,872	-
PAYG Withholding Payable		66,278	22,718
Wages Payable		-	11,895
Superannuation Payable		9,927	18,645
Total Trade and Other Payables		177,804	120,060

NOTE 9: EMPLOYEE BENEFIT PROVISIONS

	Note	2024	2023
		\$	\$
Provision for Annual Leave Entitlements		36,605	18,657
Total Employee Benefit Provisions		36,605	18,657
<i>Movement of Employee Provisions:</i>			
Balance at the Beginning of the Year		18,657	2,133
Provisions Raised		26,092	16,524
Provisions Used		(8,144)	-
Balance at End of Year		36,605	18,657

The provision for employee benefits represents amounts accrued for annual leave.

Based on past experience, the Club expects the full amount of the annual leave balance to be settled within the next 12 months. Further, these amounts must be classified as current liabilities since the Club does not have an unconditional right to defer the settlement of these amounts in the event employees wish to use their leave entitlements.

- Cash and Cash Equivalents	4	2,820,516	2,542,090
- Trade and Other Receivables		100,705	35,211
Total Financial Assets		2,921,221	2,577,301
Financial liabilities			
Financial Liabilities at Amortised Cost:			
- Trade and Other Payables		103,654	97,342
Total Financial Liabilities		103,654	97,342

NOTE 12: AUDITOR'S REMUNERATION

	Note	2024	2022
		\$	\$
Remuneration of the auditor			
- Auditing or reviewing of the financial statements		11,500	11,500
Total Auditors Remuneration		11,500	11,500

Walker Wayland Advantage Audit Partnership was engaged only for the provision of audit of financial report service for the year ended 30 April 2024 and not for any other services.

NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 30 APRIL 2024

NOTE 13: RELATED PARTY TRANSACTIONS

Transactions between related parties are on normal commercial terms and conditions no more favourable than those available to other parties unless otherwise stated

(a) Key Management Personnel

Any person/s having authority and responsibility for planning, directing, and controlling the activities of the Club, directly or indirectly, including its Committee Members, is considered key management personnel.

For the 2024 & 2023 year, the totals of remunerations (including Superannuation) paid to Key Management Personnel of the Club is as follows:

	2024	2023
	\$	\$
Total Remuneration Paid	181,928	108,572

No Committee Member is entitled to any compensation in performing their duties as a Committee Member.

(b) Other Related Parties

Other related parties include close family members of Key Management Personnel and entities that are controlled or jointly controlled by those Key Management Personnel individually or collectively with their close family members.

For the 2024 and the 2023 financial year there were family members of various Key Management Personnel (amongst others) working in the food & beverage and/or administration area at the club on a casual basis throughout summer at commercial market rates.

NOTE 14: CONTINGENT LIABILITIES & ASSETS

The Club does not have any contingent liabilities or assets as at 30 April 2024 other than those which have been disclosed elsewhere in the financial statements (30 April 2023: Nil)

NOTE 15: COMMITMENTS

There are no commitments as at 30 April 2024 (30 April 2023: Nil).

NOTE 16: EVENTS AFTER THE REPORTING PERIOD

The Committee is not aware of any matters or circumstances that have arisen since the end of the financial year which significantly affected or may significantly affect the operations of the Club, the results of those operations, or the state of affairs of the Club in future financial years.

NOTE 17: SEGMENT REPORTING

The Club operates in one business & geographical segment being the provision of lifesaving services at Portsea Back Beach Mount Levy, Victoria.

COMMITTEE MEMBERS' S

In accordance with a resolution of the Committee of Portsea Surf Life Saving Club Inc, the Committee of the Club declare that, in the Committee's opinion:

The financial statements and notes, as set out on pages 3 to 23, satisfy the requirements of the *Associations Incorporation Reform Act 2012* and *Australian Charities and Not-for-profits Commission Act 2012* and:

- (a) comply with *AASB 1060: General Purpose Financial Statements Simplified Disclosures for For-Profit and Not-for-Profit Tier 2 Entities*; and
- (b) give a true and fair view of the financial position of the Club as at 30 April 2024 and of its performance for the year ended on that date.

There are reasonable grounds to believe that the Club will be able to pay its debts as and when they become due and payable.

This declaration is signed in accordance with subs 60.15(2) of the *Australian Charities and Not-for-profits Commission Regulation 2022*.

President

Matthew Mahon - President

INDEPENDENT AUDITOR'S REVIEW REPORT TO THE MEMBERS OF PORTSEA SURF LIFESAVING CLUB INC (CONTINUED)

Report on the Financial Report

We have audited the financial report of Portsea Surf Lifesaving Club Incorporated (the "Club"), which comprises the: -

- Statement of Financial Position as at 30 April 2024;
- Statement of Profit or Loss and Other Comprehensive Income;
- Statement of Changes in Equity;
- Statement of Cash Flows for the year then ended;
- Notes to the financial statements, including a summary of significant accounting policies; and
- Statement by the Committee.

In our opinion, the accompanying financial report of the Club has been prepared in accordance with Division 60 of the Australian Charities and Not-for-Profits Commission Act 2012 (ACNC Act), including:

- a) giving a true and fair view of the Clubs's financial position as at 30 April 2024 and of its financial performance for the year then ended; and;
- b) complying with Australian Auditing Standards – AASB 1060: General Purpose Financial Statements – Simplified Disclosures for For-Profit and Not-for-Profit Tier 2 Entities and Division 60 the Australian Charities and Not-for-profits Commission Regulation 2022.

Basis for Opinion

We conducted our audit in accordance with Australian Auditing Standards. Our responsibilities under those standards are further described in the "Auditor's Responsibilities for the Audit of the Financial Report" section of our report. We are independent of the Entity in accordance with the ethical requirements of the Accounting Professional and Ethical Standards Board's APES 110 Code of Ethics for Professional Accountants (including Independence Standards) (the Code) that are relevant to our audit of the financial report in Australia. We have also fulfilled our other ethical responsibilities in accordance with the Code.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

INDEPENDENT AUDITOR'S REVIEW REPORT TO THE MEMBERS OF PORTSEA SURF LIFESAVING CLUB INC (CONTINUED)

Information Other Than the Financial Report and Auditor's Report

The Committee are responsible for the other information. The other information comprises the information included in the Club's annual report for the year ended 30 April 2024 but does not include the financial report and our auditor's report thereon. Our opinion on the financial report does not cover the other information and accordingly we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial report, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial report or our knowledge obtained in the audit or otherwise appears to be materially misstated.

If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

Responsibilities of the Directors for the Financial Report

The Committee are responsible for the preparation of the financial report that gives a true and fair view in accordance with Australian Auditing Standards – AASB 1060: General Purpose Financial Statements – Simplified Disclosures for For-Profit and Not-for-Profit Tier 2 Entities and the ACNC Act, and for such internal control as the Committee determine is necessary to enable the preparation of a financial report that is free from material misstatement, whether due to fraud or error.

In preparing the financial report, the Committee are responsible for assessing the Club's ability to continue as a going concern, disclosing, as applicable, matters relating to going concern and using the going concern basis of accounting unless the Committee either intend to liquidate the Club or to cease operations, or has no realistic alternative but to do so.

The Committee are responsible for overseeing the Club's financial reporting process.

Auditor's Responsibilities for the Audit of the Financial Report

Our objectives are to obtain reasonable assurance about whether the financial report as a whole is free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not a guarantee that an audit conducted in accordance with the Australian Auditing Standards will always detect a material misstatement when it exists.

Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of this financial report.

As part of an audit in accordance with the Australian Auditing Standards, we exercise professional judgment and maintain professional scepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial report, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Club's internal control.

**INDEPENDENT AUDITOR'S REVIEW REPORT
TO THE MEMBERS OF PORTSEA SURF LIFESAVING CLUB INC (CONTINUED)**

Auditor's Responsibilities for the Audit of the Financial Report

- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the Committee.
 - Conclude on the appropriateness of the Committee's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Club's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial report or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Club to cease to continue as a going concern.
 - Evaluate the overall presentation, structure and content of the financial report, including the disclosures, and whether the financial report represents the underlying transactions and events in a manner that achieves fair presentation.
- We communicate with Directors of the Entity regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.
- We also provide the Directors with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.
